

ABOUT THE SCHOOL

📍 Global Mission Secondary School

is a Christian, English-medium, co-educational boarding school. Family circumstances and environment in Tanzania make dormitories an essential component for a quality education program. The school is affiliated with the United Methodist Church of Tanzania. It is located on the outskirts of Dar es Salaam.

📍 School Vision

– to Transform Lives and Build leaders

📍 School Mission

– to provide quality education for students, help them build up a biblical foundation, and support their hopes and dreams.

📍 School Values

– Wisdom, Integrity, Excellence

📍 School Motto

– To serve, not to be served (Mark 10:43-45)

📍 **GMSS** will use Tanzanian syllabuses and other resources to support the curriculum standards of the country. Performing art classes, Taekwondo, computer training classes, an English clinic, a Math clinic, and agriculture projects will be included as after school activities. We need short or long-term volunteer missionaries who will commit to afterschool classes and activities. During school breaks and holidays, school facilities will be used for different mission-related purposes.

Transform Lives; Build Leaders

I am known as a missionary with the Next Generation. My priority is young people (age 13-35). I focus on youth empowerment, disciple-making, and leadership development. My mission work involves a lot of trips to 11 districts of the United Methodist Church of Tanzania. I have met a lot of young people, heard their stories and seen how they live. I was in tears so many times because "Maisha ni magumu" (life is so hard). Many were born into poverty. Consequently, they only achieve a primary education. They look for money to get by! "Kumwomba Mungu" (pray to God) is one of the messages I share with the youth all the time.

The more I work with young people in Tanzania, the more I am convinced that God is calling me to build a secondary school. I was so afraid, but ever since I said YES to this secondary school project in the summer of 2016, God has been so faithful. As God promises, He will provide the right people for me in every stage to work together. On August 27, 2019 a contract was finally signed. A long wait was not wasted. It was God who made this happen against all odds. It was a great joy to start the first phase of the school construction with God's provision of \$400,000 through individual donors and churches.

Noah's faith is an inspiration to me. He and his family built an ark for 120 years. They were a family of perseverance and faithfulness. Also, they continued to be faithful in the rocky ark to feed many animals, give them water and remove their poo for 40 days. Wow!! Just like them, I am committed to trusting God who began a good work in me. I will be faithful to do my part. Also, I would like to invite you to be a part of this meaningful and glorious work of God with persistent prayer and financial support. This school will be a great blessing to countless youth in Tanzania from generation to generation.

Rev. Christina (Young Seon) Kim
GBGM missionary &
Director of Next Generation Ministries

What does it mean to have a Secondary Education in Tanzania

- 📍 **Having a key to success in life** (Thawina, a banker)
- 📍 **Answering to nation's poverty and literacy challenges** (Joshua Magwesela, a graduate student)
- 📍 **You are privileged and favored. You have a predictable and better future. It means lesser chances for girls to fall into prostitution.** (Rev. Nathanael Kapela)
- 📍 **Changing lives** (Imani Selemani Nsamila, a photographer)
- 📍 **Having access to greater opportunities in life.** (Upendo Kimani, a civil engineer)
- 📍 **Getting knowledge in advanced level after primary education** (David, a college student)
- 📍 **Acquiring general knowledge, skills, and attitude in life** (Patrick, a taxi driver)
- 📍 **Crossing a bridge to join in colleges and further higher education** (Mohamed, an entrepreneur)

We Need your Financial Support

School construction has three phases. The first and second phases are prerequisites established by the Ministry of Education for school registration. The 3rd phase we will build a multi-purpose hall, volunteer missionary houses, additional classrooms, outdoor activity center and more. We need \$432,764 for the 2nd phase and \$325,500 for the 3rd phase.

Our Construction Plan

WHEN	WHAT TO DO
September 2019	The 1st stage Construction began
Feb. of 2020	Raise \$432,764
Summer of 2020	Complete the 2nd stage and start school registration
August of 2020	Raise \$325,500
Fall of 2020	Establish administration and recruit students
January 2021	Open School

By the fall of 2020, we want to establish the administrative structure which will include the hiring of teaching and administrative staff. Also, we will start advertising our school and recruit students. It is our PRAYER that the Global Mission Secondary School will officially open in January, 2021.

"With God All Things are Possible"
(Matthew 19:26)
