

LAY SERVANT MINISTRIES is a leadership development program in The United Methodist Church focused on equipping and empowering laypersons who have responded to the call of God to serve in mission and ministry.

These laypersons are called to live out their own discipleship as servants in leadership through the ministries of leading, caring, and communicating.

Being called to ministry is a serious endeavor. It takes a disciple to make a disciple. Thus we must do all we can to prepare ourselves and others to serve.
