Rosecrance tabs Eaton for executive director

Philip Eaton, 33, has been appointed executive director of Rosecrance Memorial Homes for Children.

Eaton had been director of the Rockford campus of Rosecrance for 10 1/2 years before receiving his new assignment Monday night. He took over the post of director Tuesday.

Eaton replaces Don Allen, who had worked with the homes for 14 years. Allen, who grew up in Niles and attended Trinity College in Deerfield, Ill., is leaving for a position in

for that campus.

Eaton said his main problem right now is "cutbacks in funding for human services, both federally and from the state." He said he will "review services to the community" to determine if there should be any cutbacks and where they should take place.

He said the state has frozen its reimbursement per pupil to the homes, even though costs are continuing to rise.

Hear my cry, hear my call.
Hold my hand, lest I fall.
Take my hand, precious Lord,
Lead me home.

Let us love,
not in word or speech
but in truth and
ACTION. - 1 John 3:18
