

Prairie North Mission Event **MISSION OF LOVE**

Feb 14, 2026 9-11 AM At Dakota-Rock Grove United Methodist Church

We will be coming together as the Prairie North District to serve by assembling mission kits for Midwest Mission and UMCOR, including Personal Dignity Kits, Bed Packs, UMCOR Hygiene Kits, and Student Kits. Each church is invited to help by collecting supplies needed for these kits, with a full list of requested items available on this flyer. Donated items may be brought to the District Leadership Training event at Christ UMC in Rockford, Illinois, on January 24, 2026, or arrangements for pickup can be made by calling Pastor Leslie Stanford at (815) 713-7786. Cash donations are also welcome to help cover additional items supplied by Midwest Mission and UMCOR, and everyone is encouraged to attend Mission of Love Day to help assemble the kits and be part of this meaningful ministry effort.
