*\*\* Human trafficking is the second largest and fastest growing criminal industry in the world.*

*\*\* In the United States, 244,000- 325,000 American youth are at risk, while 14,500–17,500 individuals are trafficked into the U.S. from other countries.*

*\*\* Globally, an average of three people become victims of human trafficking for every 1,000 individuals.*

*\*\*The vigil is held before the Super Bowl, as big sporting and entertainment events can intensify the space in which such crimes occur.*
