UMC Northern Illinois Conference
**Emergency
Solidarity Fund**

In these difficult days, it has become increasingly dangerous for our Hispanic/Latine neighbors to leave their homes—including for work, which results in lost pay; to take children to their school bus stops; to shop for groceries; and to attend worship services. To provide some relief, Bishop Schwerin has established an Emergency Solidarity Fund.

**This fund will assist primarily
Hispanic/Latine people
(but also other immigrants) who are
increasingly vulnerable.**
