

Pastoral Care position

Thriving, reconciling congregation in suburban DuPage county seeks a qualified individual for pastoral care. This part time position would include visiting housebound members, providing hospital/rehabilitation/hospice visits, sharing prayer time, and supporting the staff in reaching the community through personal connections.

Qualified candidates must possess some education in Christian theology, have experience with direct pastoral care, be flexible with scheduling, and be self-motivated to actively connect with individuals from this congregation.

The position will average 10 hours/week (with a 40 hours/month maximum) with compensation correlative to experience. The right candidate will help make a world of difference in the spiritual lives of this congregation and thus will report to the Senior Pastor.
