

#	Name	What is this for?	Who uses it (beyond the local church)?
1	<i>Total professing members reported at the close of last year</i>	Used by local churches, annual conferences, and GCFA for internal data auditing purposes. Intended more as a baseline for use of local church in reporting membership for the current reporting year.	Annual Conferences GCFA
2.a	<i>Received this year on Profession of Christian Faith</i>	Used by DS's, Bishops, Conference and General Agency Staff, and Academic Researchers. The "professions of faith" and "faith restored" lines are two of the most important indicators of the efficacy of local church outreach in making disciples of Jesus Christ for the transformation of the world.	Annual Conference Boards and Agencies District Superintendents & Bishops General Agencies Academic Researchers
2.b	<i>Restored by affirmation</i>		
2.c	<i>Correct last year's total professing membership by addition</i>	Increased use of online systems does not allow local churches to alter Line 1 as has commonly occurred in the past. As such, we anticipate an increased need for correction by addition and subtraction. By splitting corrections out from Line 2.b above, users of the data can better estimate the number or persons restored by affirmation from those corrections made to the previous year's membership.	Annual Conference Boards and Agencies District Superintendents & Bishops General Agencies Academic Researchers
3	<i>Transferred in from other United Methodist churches</i>	Used by DS's, Bishops, Conference and General Agency Staff, and Academic Researchers. UM transfers are an important indicator of how churches are receiving persons, and the generalized level of denominational solidarity in various regions.	Annual Conference Boards and Agencies District Superintendents & Bishops General Agencies Academic Researchers
4	<i>Transferred in from non-United Methodist churches</i>	Used by DS's, Bishops, Conference and General Agency Staff, and Academic Researchers. Transfers from non-UM churches does give some indication of our attractiveness to the church of other Christian traditions.	Annual Conference Boards and Agencies District Superintendents & Bishops General Agencies Academic Researchers
5.a	<i>Removed by Charge Conference action</i>	Used by DS's, Bishops, Conference and General Agency Staff, and Academic Researchers. The information helps account for "roll cleanings" in decline of some congregations.	Annual Conference Boards and Agencies District Superintendents & Bishops General Agencies Academic Researchers
5.b	<i>Withdrawn from Professing Membership</i>	Used by DS's, Bishops, Conference and General Agency Staff, and Academic Researchers. If the withdrawn number peaks, it can help indicate a phase of conflict in a local church.	Annual Conference Boards and Agencies District Superintendents & Bishops General Agencies Academic Researchers

#	Name	What is this for?	Who uses it (beyond the local church)?
5.c	<i>Correct last year's total professing membership by subtraction</i>	Increased use of online systems does not allow local churches to alter Line 1 as has commonly occurred in the past. We anticipate that we will see an increased need for correction by addition and subtraction. By splitting corrections out from Line 5.b above, we can better estimate the number or withdrawn from membership from corrections made to the previous year's membership.	Annual Conference Boards and Agencies District Superintendents & Bishops General Agencies Academic Researchers
6	<i>Transferred out to other United Methodist churches</i>	Used by DS's, Bishops, Conference and General Agency Staff, and Academic Researchers. UM transfers are an important indicator of how churches are losing persons, the generalized level of denominational solidarity in various regions, and patterns of migration and population movement.	Annual Conference Boards and Agencies District Superintendents & Bishops General Agencies Academic Researchers
7	<i>Transferred out to non-United Methodist church</i>	Used by DS's, Bishops, Conference and General Agency Staff, and Academic Researchers. Transfers from non-UM churches are a useful indication of local congregation and denominational solidarity.	Annual Conference Boards and Agencies District Superintendents & Bishops General Agencies Academic Researchers
8	<i>Removed by death</i>	Used by DS's, Bishops, Conference and General Agency Staff, and Academic Researchers. This number been useful in estimating the relative age of members in congregations and conferences.	Annual Conference Boards and Agencies District Superintendents & Bishops General Agencies Academic Researchers
9	<i>Total professing members reported at the close of this year</i>	One of the two most-referenced statistics (with attendance). Although membership is more static than attendance, it does not suffer from periods of non-reporting as the figure is carried over if no other data is reported.	Annual Conference Boards and Agencies District Superintendents & Bishops General Agencies Academic Researchers

9.a	<i>Asian Professing Members</i>	<p>The Racial/Ethnic and Gender membership information is some of the most requested and used data in the local church statistics. Although it has and continues to be a source for some controversy, these lines provide researchers in and outside the denomination with critically important information for understanding the UMC's fruitfulness in reaching out to persons of a diverse range of socioeconomic backgrounds.</p>	<p>Annual Conference Boards and Agencies  District Superintendents &amp; Bishops  General Agencies  Academic Researchers</p>
9.b	<i>African American/Black Professing Members</i>

Annual Conference Boards and Agencies District Superintendents & Bishops General Agencies Academic Researchers
14	<i>Total enrolled in confirmation preparation classes this year</i>	A long-standing measure used by denominational researchers to estimate youth presence in the church.	Annual Conference Boards and Agencies District Superintendents & Bishops General Agencies Academic Researchers
15	<i>Number of Children (0-11 yrs) in Christian groups and all other small groups (count only once)</i>	These questions have been significantly revised in the 2009-2012 form to 1) improve the ease of reporting by local churches, and 2) get a more accurate picture of the total local church participation in Christian formation activities including Church School, small groups, and other ministries meant to form persons of ages into Christian disciples.	Annual Conference Boards and Agencies District Superintendents & Bishops General Agencies Academic Researchers
16	<i>Number of Youth (12-18 yrs) in Christian groups and all other small groups (count only once)</i>		
17	<i>Number of Young Adults (19-30 yrs) in Christian groups and all other small groups (count only once)</i>		
18	<i>Number of Other Adults (31+ yrs) in Christian groups and all other small groups (count only once)</i>		
19	<i>TOTAL number of persons in Christian groups and all other small groups (15+16+17+18)</i>		
20	<i>Average weekly attendance (all ages) in Sunday Church school</i>		

21	<i>Number of persons (all ages) in covenant discipleship groups</i>	A new question designed to better understand the role of covenant discipleship in churches. Data from this line will provide important information on how covenant discipleship groups impact the ministries and vitality of churches.	Annual Conference Boards and Agencies District Superintendents & Bishops General Agencies Academic Researchers
22	<i>Number of participants in Vacation Bible School</i>	A new question intended to help churches more accurately and completely report the total impact the congregation has on the communities in which it serves.	Annual Conference Boards and Agencies District Superintendents & Bishops General Agencies Academic Researchers
23	<i>Number of ongoing CLASSES (all ages) for learning in Sunday church School</i>	A set of new questions designed to be, 1) easier for churches to report, 2) a more accurate measure of the sorts of Christian formation ministries being offered by churches.	Annual Conference Boards and Agencies District Superintendents & Bishops General Agencies Academic Researchers
24	<i>Number of ongoing CLASSES for learning (all ages) other than Sunday church School</i>		Annual Conference Boards and Agencies District Superintendents & Bishops General Agencies Academic Researchers
25	<i>Number of short-term CLASSES and GROUPS (all ages) for learning.</i>		Annual Conference Boards and Agencies District Superintendents & Bishops General Agencies Academic Researchers
26	<i>Membership in United Methodist Men</i>	Data is used by United Methodist Men in measuring activity and support levels, particularly at the local and AC levels. Alternative reporting methods that capture the activity of individual congregations do not currently exist.	United Methodist Men leadership at the District, Conference, and Denominational level.
27	<i>Amount paid for projects (UMM)</i>		
28	<i>Membership in United Methodist Women</i>	Data is used by United Methodist Women in measuring activity and support levels, particularly at the local and AC levels.
