Blueprint for Wellness Highlights

Blueprint for Wellness (BFW) provides an opportunity to learn about your health. You’ll receive personalized data on 30 health factors and:

- **Incentives**—\$100 PulseCash* and up to 140 Wellness Points. Participant and spouse in HealthFlex can *each* earn incentives.
- **Convenient options**—take the screening at our on-site event or at a local Quest Diagnostics facility.
- **No cost to you if taken** at an on-site event or registered at a local Quest Diagnostics facility.
- **Wellness Points**—earn 20 Points for each of seven health measures that meet the American Heart Association’s recommended range (or for showing improvement vs. your 2018 BFW results). Seven health measures that meet the criteria = **140 Wellness Points total**. *If you didn’t do BFW in 2018, don’t miss out in 2019!*
- **Fast the night before** for the most accurate results. Ask your doctor or other primary care provider (PCP) if it is safe for you to fast.
- **Confidential results mailed directly to you** to share with your PCP.
