Discipleship is:

- **Personal**

Equipping and empowering the people in the pews to own their growth as disciples

- **Corporate**

Doing everything that we can as the church to provide opportunities to grow in faith as followers of Jesus

“Our job is, as a church, is not to spoon-feed people the “deep truths of the faith” for their entire lives. Our job is to equip them so that they can spend the rest of their lives daily pursuing their relationship with Christ and faithfully serving him in the world.” -- Hamilton, Adam, Seeing Gray in a World of Black and White

“People think focus means saying yes to the thing you’ve got to focus on. But that’s not what it means at all. It means saying no to the hundred other good ideas that there are. You have to pick carefully. I’m actually as proud of things we haven’t done as the things we have done. Innovation is saying no to a thousand things.”
