THE MISSION OF OUR ANNUAL CONFERENCE

"The purpose of the Annual Conference is to make disciples of Jesus Christ for the transformation of the world by equipping its local churches for ministry and by providing a connection for ministry beyond the local church; all to the glory of God"
(The United Methodist Book of Discipline, ¶ 601).

THE VISION OF OUR ANNUAL CONFERENCE

"Making and supporting vital Christians in vital congregations that engage with their communities and the world for peace, justice, and mercy."

CORE VALUES

In responding together to God's call for our Annual Conference, we desire a culture that values:

- Focus on mission
- Evaluation, accountability, and support for growth
- Experimentation and risk-taking (with room for failure) for the purpose of learning
- Transparency
- Honesty and graciousness with each other
- Safe spaces for sharing
- Relationship-building
- Provision of resources/services closer to the local church
- Fostering and celebrating diversity (as a conference, in our community and in the world)

2020 ANNUAL CONFERENCE PRIORITIZED GOALS

Goal 1: To Grow and Reach New Disciples of Jesus Christ

Goal 2: To Live Out the Conviction that Racism is Incompatible with Christian Teaching

Goal 3: To Increase the Number of Highly Vital Congregations

Approved at 2019 Annual Conference

TABLE OF CONTENTS

Note from the Annual Conference Secretary:

The 2021 Journal reflects the official proceedings of the 182nd combined virtual and live annual sessions of the Northern Illinois Conference which met in Clergy Session, June 28, 2021 and remotely and in person at the Barrington UMC on July 16, 17 and October 2, 2021. This journal represents the work of many involved with these sessions - lay, clergy, volunteer, conference staff and the staff of GNTV and AV3 Productions. While the production of the journal attempts to accurately represent the Annual Conference proceedings, there is always the possibility of human error. If in pursuing these pages errors are encountered, please forgive them. However if anything needs to be corrected, please direct the error(s) to my attention.

As a newly appointed/elected Annual Conference Secretary, I am indebted and ever grateful to many for their assistance in the process of collecting the many and various reports, documents, and statistics before the conference to both facilitate and document the sessions, and after the conference, to prepare the Journal. Thanks and gratitude go to the Rev. Arlene Christopherson, assistant to the Bishop, the Rev. Paul Lee who took minutes of the Clergy session, and the volunteer conference secretaries: The Revs. Nancy Blade, Paul Lee, Katie Voigt, Julie Blunt, and Megan Smick. Additional thanks to the Rev. Daniel Diss, Assistant Secretary for Standing Rules. A special 'Thank you' to everyone, and the list is long, who presented a report and responded so quickly to my request for an electronic copy of their presentation. This greatly aided in the accuracy of this journal. Ongoing thanks and appreciation go to the NI Conference staff with whom I had direct and in many cases, frequent contact: Laura Lopez, Marva Andrews, and Anne Marie Gerhardt. Thanks also goes to Lonnie Chafin and his staff with whom I did not have direct contact but who have provided the valuable statistical data. Finally, a very special thanks and welcome to the NIC staff, Lisa Smith, who had the herculean task of taking everything gathered and organizing it into the 2021 Journal before you.

Bishop Hopkins introduced Bishop Julius Trimble, resident Bishop of the Indiana Conference, who led the video Bible Study. The theme was that it is a good thing to say thank you and was based on Luke 17: 11-19, the healing of the 10 lepers. Bishop Trimble suggested that the listeners approach the text first by hearing the story, then imagining the story, and finally by putting ourselves into the story asking what are we shouting out to Jesus and what is he answering back to us. He ended the study by instructing us that Jesus is part of our story and asking how we will express our thanks to Jesus.

PRE-CONFERENCE BRIEFING OVERVIEW

The Rev. Char Hoffman gave a briefing of the Pre-Conference sessions. Each person or group submitting a resolution was asked to provide a brief video regarding the resolution. Every effort was made to see that someone was present who could answer questions about the resolutions. In order to move through the resolutions expediently, most resolutions are placed in the consent calendar by the Consent Calendar Committee, with explanations as to why the resolutions were so placed. Items can be lifted from the consent calendar. The process for this is outlined on the AC 2021 page of the umcnic. org website. The deadline for lifting a document was July 1, 2021.

Rev. Hoffman discussed the most frequently asked questions in the sessions including what happens to buildings when churches are discontinued; the text of two footnotes of 700.12 and questions regarding how many more lay members will be added per 702.4 and 702.5.

Rev. Hoffman closed by asking for everyone's patience as we deal with the limitations of the video meeting and for prayers that we will gather in person for the 2022 Conference.

ORGANIZING MOTIONS:

Bishop Hopkins introduced Deborah Dangerfield, chair of the Annual Conference Committee who presented the organizing motions.

Motion # 1 Virtual Meeting: "Because the Northern Illinois Annual Conference's standing rules and By-Laws do not prevent meetings through which members entitled to vote can meet, participate in and act through the use of a conference telephone or interactive technology, I move that those who are authorized to participate and members of the Northern Illinois Annual Conference session of the United Methodist Church: 1) agree and consent to proceed in a virtual Annual Conference session

using remote communications technology; and 2) agree and consent that all decisions made in the session have the same effect and authority as decisions made by an in-person session of the Annual Conference conducted under the provisions of our By-Laws and the Constitution of the United Methodist Church; and agree and consent that all sch decisions made in the session are and shall be legal and binding actions of the 2021 Annual Conference."

Monitor Briefing: Bishop Hopkins introduced the monitoring process indicating that the virtual session did not lend itself well to such review. Pointing out that as any request to speak would automatically appear before him, and that due to his short tenure as Interim Bishop he did not yet recognize clergy and lay names or ethnic identities, he would do his best to recognize requests to speak in fair and equitable ways. He asked that all participants "respect the opportunity of others to speak as well as we continue to ask ourselves 'How could a person's marginalized or privileged identity be showing up in this space/ How can I hep mitigate its negative impact.'"

The first break of the 2021 Annual Conference was then called at 10:10 a.m.

ACST REPORT
The Bishop introduced Elizabeth Gracie and Myron McCoy who presented a video featuring the work of the Annual Conference Shepherding Team. The video featured the activities surrounding the Intentional Discipleship System and the work of the Anti-Racism Task Force.

BISHOP'S REFLECTIONS
Bishop Hopkins reminded the body that he had officially become the Interim Bishop for the NIC on January 1st of this year. He thanked everyone for welcoming him, and especially thanked the body for the way "you have shared the love of God in Jesus Christ over this past year and a half in the midst of the pandemic." Citing his task as Interim Bishop was to help the conference continue the good ministries, name the current realities and provide some direction in a time of uncertainty, he divided his reflections into two parts. Bishop Hopkins discussed and celebrated these strengths of the Northern Illinois Conference: 1) Gifted and dedicated clergy and laity. 2) We take a strong stand for equity and justice with full inclusion of everyone, pointing out that 85% of the AC had voted for full inclusion of LGBTQIA people. 3) We are committed to celebrating diversity. 4) We continue to have a devotion to missions. 5) We have an effective advocacy for immigrants. 6) Our new structure is a plus. 7) Our local churches are doing amazing front line ministry. Bishop Hopkins, having studied the 2020 Report to the North Central Jurisdiction Committee on Episcopacy, then addressed the challenges facing the conference: 1) Financial challenges. 2) Concerns about divisions and full inclusion. 3) Need to increase the capacity of clergy and laity to address the culture of our communities that are in a state of flux. 4) Need to develop a pipeline of diverse clergy. 5) Low clergy morale. 6) Division between progressive and conservative viewpoints and lack of respect for opposing views. 7) Lack of response for our connectional system. 8) Need to close or right size some

churches. Supporting the 2021 Annual Conference Shepherding Team's selection of four priorities for the year, he shared them; 1) Guiding the NIC in the event of a significant shift in the denomination or jurisdictional realignment of conferences. 2) Facilitating communication and healthy relationships between districts, NIC leadership, staff, committees, and ministries. 3) Focusing NIC resources to equip local churches and ministry settings to make disciples of Jesus Christ for the transformation of the world. 4) Advocating, monitoring, and celebrating diversity at every level of leadership throughout the NIC. Bishop Hopkins introduced a video from CCFA regarding the finances of the NIC so that all could better understand the history and reality of our current situation. Discussing the use of an open boat with a cross as the mast as a symbol of the church, Bishop Hopkins closed with three axioms to help all understand our current situation: 1) "We may come from different cultures, but we are all in the same boat now!" 2) "You cannot rock the boat and row it at the same time!" and 3) "Pray to God - Row to Shore. "When we call on God and trust him,"Jesus Makes a Way!" Sharing the text of Mark 4:37, Bishop Hopkins ended with these encouraging words: "The Church is the body of Christ - built by Jesus- according to Matthew 16:18. It may be buffeted by storms, but it will not be swamped. "Jesus makes a Way" when we are willing to wake him up, seek his peace, and have faith in him. Let us stay in the boat, keep rowing, and follow Jesus! May his peace be with you. Amen.

Bishop Hopkins called on Rev. Katie Voigt for the Legislation.

The Co-Lay Leaders report was a video presentation over-viewing some of the work of the Laity around the NIC conference. Co-Lay Leader Augsburger discussed the first ever on-line Laity Convention in February 2021 and getting acquainted with the Conference Board of Laity members who she described as 'cheery, enthusiastic, and engaged'. She further described the

mission of the church, making disciples of Jesus Christ for the transformation of the world. Co-Lay LeaderMark Manzi who emphasized that although the pandemic year has been difficult with Zoom meeting and little in-person contact, God and Jesus 'make a way' for us. Co-Lay Leader Mark Manzi highlighted the Anti-Racism Task Force work of Our Saviors (Schaumburg) and Minooka UMC's plan for a new building. He discussed the Steward UMC and Urban Village UMC's involvement with the Intentional Discipleship System. Co-Lay Leader Eugene Williams emphasized the fact that the Conference Co-Lay Leaders are ready to 'work with you...to make disciples, and share the peace, mercy and love of Jesus with all.' Co-Lay Leader Williams stressed that the Co-Lay Leader's goal is 'to make sure that laity is fully informed and fully engaged with the work of the Northern Illinois Conference.' Williams discussing the partnership between laity and clergy in the NIC, pointed out that the current Chair of the Annual Conference is a lay person and that one of the districts has elected a lay person as the chair of its District Committee on Ministry. Emphasizing the work of the laity as being 'the oil that makes the engine run in this battlefield for Christ.' Williams closed with the words of John Wesley to "do all the good we can by all the means we can and all the ways we can at all the times we can to all the people we can for as long as ever we can' adding that 'Jesus will make a way'.

Bishop Hopkins welcomed every one back to the second day of the 182nd session of the Northern Illinois Conference.

Marc Dean, member of St. Mark UMC in Lake South District and a member of the Annual Conference Committee was called upon for the opening prayer.

BIBLE STUDY WITH BISHOP TRIMBLE

The text of the day's Bible study was Matthew 14:31-21 and the focus was how Jesus was a way-maker. Bishop Trimble introduced the work of Dr. Cheryl Anderson, asking the conference to consider these two statements she makes on the question of biblical authority: "The Bible is literally the Word of God. Scripture consists of the writing that were inspired by God, if not actually dictated by God to the biblical writers, the community of faith is to submit to biblical authority, biblical interpretation, interpreting the scriptures that we read is divine expressing the will of God, not that of human beings." Pointing out that Bible study is for all of us, and keeping Dr. Anderson's words in mind, Bishop Trimble read through Matthew 14:13-21, the feeding of the 5000 asking how Jesus was a way maker in the scripture, what was the good news for those in the crowd, and what is the application for our personal growth and the challenges of the day in our lives right now. Bishop Tremble closed with the words that the best Bible to have is the one that we pick up and read so that we may make disciples of Jesus Christ for the transformation of the world.

PLENARY SESSION 5
July 17, 2021 10:10 a.m.

Bishop Hopkins reconvened the conference for the fifth plenary session.

Bishop Hopkins called on the Rev. Matthew Mariani for the opening prayer.

ANNUAL CONFERENCE SHEPHERDING TEAM (ACST)
The ACST presented a video concerning the work of vital congregations, celebrating the work of the church during this time of global pandemic. Emphasizing the fact that in spite of the pandemic, the United Methodist Church had found ways to continue to minister to one another and to reach out beyond the walls of the church to engage the community. In December the church gave almost $40 million to support ministry around the globe. This was the highest rate of giving in one month in the history of the United Methodist Church. The video called upon us to be proud of the global presence and work of our church.

The uniting of Epworth UMC and Wesley UMC in Elgin to form the Journey of Hope UMC was highlighted. Attendees were also encouraged to see the Shepherding team's historical report on the NIC website.

BISHOP HOPKINS' REFLECTIONS
Bishop Hopkins focused his reflection through the text of Acts 2:1-4, the story of Pentecost, the current church season. Pointing out that the Church needs Unity, Power, and Mission for a Pentecost, he emphasized that all three are necessary. Bishop Hopkins then asked if the Northern Illinois Conference had all three, adding that to face the realities before us, we are going to need all three. Sharing his initial impressions, Bishop Hopkins discussed the current financial status of the NIC stating that 'shared ministry is supported by apportionments through a covenant made among our churches when clergy and laity adopt a budget at Annual Conference.'

Indicating that if every church paid its apportionment, the conference could either lower apportionments by $1.9 Million or engage in more congregational developments as well as ministry and mission. Pointing out that the situation is not about money alone, "it is about relationships, and knowing what we do affects everyone else." Some of Bishop Hopkins' recommendations are: 1) Work with churches to help them balance their budgets and pay apportionments while sustaining the salaries they set. 2) The Board of Ministry needs to work with the Cabinet to determine how many full-time elders are needed based on the size and strength of our churches. 3) The Conference Council on Finance and Administration needs to keep the budget and apportionments at a low level until the percent paid increases. 4) Local churches take pride in meeting their financial responsibilities as part of their covenant with other churches.

Bishop Hopkins also commented on the priorities identified by the Conference Shepherding Team this year. 1. Concern about a significant shift in the denomination. Bishop Hopkins indicated that he did not believe that a split in the denomination would affect the NIC very much given the 2019 Annual Conference had supported full inclusion at 85%. This would predict a possible 50 to 60 churches or pastors would go to another denomination. "We need to pray and believe that Jesus will make a way for us as he has so many other times." 2. Concern about a jurisdictional realignment of conences. The Bishop emphasized that such a realignment would not mean a merger but would mean the sharing of a Bishop. 3. Perceive need for better communication, coordination, and relationships between districts, NIC leadership, staff, committees, and ministries. Bishop Hopkins indicated that in moving to five districts, we can reset our relationships between district and conference initiatives. This, with the use of virtual meetings can (and has already) helped us communicate information better. 4. Need to focus resources to equip local churches and ministry settings to make disciples of Jesus Christ for the transformation of the world. Bishop Hopkins suggested that we "cannot do our mission and advocacy work unless we can reach people with a love that will convert their hearts and call them to repentance." 5. Finding a common purpose in advocating, monitoring, and celebrating diversity. Bishop Hopkins pointed out that although we celebrate our gifted and diverse leadership, we have still been in decline. He asked if we as a conference are more loyal to the people we lead than to the larger conference. "We need leaders who can celebrate diversity and lead people unlike themselves. The Bishop closed by stating that we need a Pentecost!

Bishop Hopkins called for a five minute break at the conclusion of his observations at 11:07 a.m.

During the break, a video about United Voices for Children was shown.

Bishop Hopkins reconvenied the AC at 11:12 a.m.. At the request of Deborah Dangerfield, the Bishop reminded people who had concerns about the slides being displayed so fast that there will be a video link to the entire annual conference that will be available on the Northern Illinois Conference website.

Bishop Hopkins recognized Rita Smith for a question. She asked that people speaking please identify themselves.

LEGISLATION

Bishop Hopkins called upon the Rev. Katie Voigt to present legislation. Rev. Voigt presented 700.11 Call for Jurisdictional Conference and moved for approval.

Bishop Hopkins asked for speakers for or against. Lonnie Chapin, Conference Treasurer, Laity, spoke for the resolution. Gary Barnette, Lay delegate from Orland Park spoke against the resolution. Bishop Hopkins called for the vote at 11:22 a.m.

The Video This is MidWest Mission was played.

Bishop Hopkins closed the voting at 11:24.
The motion passed (89.8%).

Bishop Hopkins acknowledged Douglas Asbury who wanted to submit a motion. After discussion, Mr Asbury said "I move that district superintendents of the Northern Illinois conference be requested to do a survey, as part of their oversight of church charge conferences as to the attendance at this session of annual conference by clergy and lay members of the churches in their districts, for the purpose of uncovering hindrances to participation that could be addressed in the shaping of future annual conference sessions, so to reduce hindrances and increase participation among all members."

Bishop Hopkins pointed out that new legislation could require a motion to suspend the rules. Mr. Asbury indicated that would substitute request rather than direct. Bishop Hopkins called for a vote which was closed at 11:34.
The motion passed (79.2%) (331 for 81 against).

Bishop Hopkins indicated that the motion would go to the District Superintendents and Annual Conference Committees.

During the voting, Cecelia Long, retired Diaconal Minister was recognized for a brief greeting.

Bishop Hopkins commented on the appointment process and then fixed the appointments for the 2021-2022 church year. The names of appointees new to the new districts were displayed on the video for the attendees. The Bishop closed the fixing of the appointments with prayer.

Deborah Dangerfield, chair of the Annual Conference committee had closing remarks. She congratulated Bishop Hopkins on the occasion of celebrating his 25th year as a Bishop. LEGISLATION

After thanking Ms. Dangerfield for her leadership, Bishop Hopkins called upon Rev. Katie Voigt, Chair of Daily Procedures to come forward to offer a motion. Rev. Voigt moved the acceptance of an historical report (400.27 Historical Report - Annual Conference Shepherding Team 2021), which had been inadvertently left out of the July 2021 Annual Conference sessions. As the report was from a committee, no second was required. The Bishop called for question and receiving none, he called for the vote. The Vote tallied at 284 Yes; 2 No . **Acceptance of the motion was 99.3%.**

Bishop Hopkins introduced the CCFA team: Stephanie Uhl (member of United Church of Hyde Park) CCFA Chair; Rev. Tammy Scott (pastor Sugar Grove UMC), CCFA ViceChair and Lonnie Chafin (Conference Treasurer).

Ms. Uhl discussed the process for setting the 2022 budget of just over $4 million which was a decrease of $124,000 from the 2021 budget. Rev. Scott discussed the series of focus groups that the CCFA committee had set up to discuss with local church leaders to 'get a better understanding of what the local church in our conference are experiencing as we come out of the pandemic.'

The focus groups discussed 1) "How has your revenue changed" with churches reporting receiving PPP loans, some churches having stable income and some loss of income because they could not have their usual fund raisers. 2) "In what ways did you experience cost savings" with some churches reporting reducing staff and expenses and/or reduced utility bills due to not using the building while others reporting that expenses stayed flat or increased due to increased technology costs.   3) "How are you approaching 2022" with many churches planning for 2022 to be similar to 2021 either with increased programming or decreased staffing and other reductions. Some reported that planning is difficult due to shifting rules and guidelines.

The focus groups were also asked, in addition to the financial sessions, about doing worship, with mixed responses regarding live worship attendance. Additionally there were mixed responses regarding plans for 2022 worship due to the circumstances of the pandemic.

Rev. Scott presented the areas of budget reduction: switching to five (5) districts enabling the reduction of district events by $5,000; Second half of the savings going from six to five DS's; Reductions in rent and phone costs. However, CCFA is anticipating an increase in IT costs and increased Annual Conference costs of $10,000 to accommodate legislative sessions in 2022, per vote of the July 2021 AC.

Stephanie Uhl discussed the apportionment formula as being based on local church expenses, indicating that as local churches contract or expand,

so does their apportionment, which are also affected by local church data collection lags (2022 apportionment based on data for 2020 which is collected in 2021.) She also pointed out that since 2020 worship attendance was severely affected by the pandemic, 2019 worship data was used for calculating 2022 apportionments. There will be a new apportionment appeals process added to the website which will include an appeal form. A video of this new process will be posted in the finance section in future.

Bishop Hopkins thanked the presenters and introduced Nancy Pendergrass, member of Evanston First, chair of the Nominations committee and committee member the Rev. Paul Lee, pastor of Sterling:Wesley. Ms. Pendergrass introduced the 13 member Nominations committee via a combined-picture of committee members and indicated that, although the committee is evenly divided by clergy and laity and male and female, the committee would like to have members from these areas: youth/young adult; the Prairie North District; and hispanic or latina descent. Rev. Lee explained that there exists a web page that contains a spiritual assessment to help those interested in volunteering for conference service. There is an interest form to be completed for consideration.

Ms. Pendergrass indicated that in accordance with the Discipline paragraph 603.7, the committee on Nominations recommended to the Bishop, and after consultation with the District Superintendents, and the Bishop appointed Randy Hayes as Conference Secretary on December 10, 2020. For the chair of the Annual Conference Committee, the committee recommended Deborah Dangerfield who was appointed December 9, 2020.

Rev. Lee indicated that due to vacancies on the Board of Trustees and in accordance with the Discipline paragraph 2512.2, the committee nominated Jarred Goodrich and Bob Wood who were elected by the District Superintendents on December 8, 2020 and August 17, 2021 respectively.

Ms. Pendergrass introduced the printed slate of Nominations (Document 100-Nominating Committee). The list was in two sections: those whose service began after the 2020-2021 annual conference and those whose service will begin after the annual conference. Rev. Lee discussed the list of full membership of committees which can be found on the conference website. Ms. Pendergrass introduced the names of four individuals whose names were accidentally removed from the slate and who are included in the election: Chung, Kwang; Enright, Seamus; Kruse-Stafford, Lisa on the CCFA committee and Lyle, Alka for the Committee on Nominations. Ms. Pendergrass moved to accept the slate as presented with the additions listed on screen.

Bishop Hopkins asked for questions/ discussion and hearing none, he called for the vote on the motion to receive the slate for the year. The vote was 307 for acceptance and 5 against. **The motion passed by 98.4%.**

BISHOP'S REFLECTIONS

Bishop Hopkins reflected that in November of 2020, listening to the NIC 2020 Fall Conference, he had imagined that we would have been able to

meet in person for this fall session, adding that often what we imagine for the future is not correct. He shared his deep gratitude that not only have we survived the past year but we have kept the ministry of Jesus and his Church going strong. The Bishop shared a reflection of attending his 57th high school reunion. One of his high school friends shared the story that when he had received his diploma, the principal had whispered into his ear "Keep moving!...Keep moving!", and he hadn't stopped since then. "Over the past year" says Bishop Hopkins,"you have 'kept moving...' with many challenges. Praise be to God that we have come this far. Surely, the God who has brought us through this year will direct our path in the coming year." The Bishop reminded us of our strengths and the realities that need to be addressed to make us stronger. He affirmed the work of the Annual Conference and District Shepherding Teams with their three strategic goals on Discipleship, Anti-Racism, and Congregational vitality, adding that we need to focus on our relationships. He reflected that our focus on a possible division of our church has gotten us 'caught in irons,' a sailing term that means we have not been able to move. He called on the church to focus on what brings us together, rather than what tears us apart, adding that he would say to anyone who is being encouraged to leave the church, "There will always be a place for you in the Northern Illinois conference and the United Methodist Church." Indicating that deep in his heart he believes that we all want to be connected to each other and we want to do our part in making us "one with Christ, one with each other and one in ministry to all the world." He closed by indicating that he has agreed to continue to make himself available as Interim Bishop.

Following the presentation, the session was recessed for 15 minutes.

PLENARY SESSION 2
OCTOBER 2, 2021 10:35 a.m.

Bishop John L. Hopkins called the Annual Conference back into session at 10:35 a.m. Rev. Grant Swanson, GETS Recruitment Coordinator and newly ordained Deacon, gave the session opening prayer.

Following the prayer, Bishop Hopkins introduced representatives from the United Methodist Foundation: Mr George Gill, member of Barrington UMC and Foundation Board Chair, and the Rev. Chris Walters, president and CEO of the Foundation.

The Bishop then recessed the Annual Conference at 10:38 a.m. and reconvened the body as the Annual Meeting of the Northern Illinois United Methodist Foundation, noting that the By-laws of the United Methodist Foundation of the Northern Illinois Conference provides that the Annual Conference will convene as the Annual Meeting of the Foundation for the purpose of electing board members and receiving an annual report.

Mr. Gill reminded the body of the mission of the United Methodist Foundation: "Multiplying resources for ministry in the Name of Jesus Christ" by "Encouraging lifelong generosity with God's abundance." He

then presented the slate of two new board members: Ergeline Calimlim, member of Chicago Temple (Class of 2030) and Rev. Dr. Grace Oh, pastor Englewood-Rust and Thornton UMC (Class of 2029). Mr. Gill moved to approve the board's selection of the candidates. Bishop Hopkins asked for questions/comments. Hearing none, he opened the voting for the slate. **The vote was 321 to 7 or 99.4% approval.**

Mr. Gill gave the UM Foundation report, indicating that the board consists of 18 people: George Gill, Chair; David Foster, Vice Chair & Secretary; Rev. Jane Eesley, Nominating Chair; Lynette Rice, Audit Chair; Marta Rodriquez, Investment Chair; Jim Stoddard, Marketing Chair; Tom Summer, Grants Chair; Eugene Williams, Personnel Chair; Ergeline Calimlim, Brad Colby; Rev. Dr. Kimberly Davis; Denny Hackett; George Groves; Debbie Grudzmacher; Rev. Violet Johnicker; Rev. Dr. Grace Oh; and Larry Thomas. The following are ExOfficio members: Rev. Chris Walters, President and CEO, Rev. John L. Hopkins Interim Bishop, and Lonnie Chafin, Conference Treasurer.

Mr. Gill presented that The United Methodist Foundation has nearly 700 accounts serving hundreds of clients. Investments are divided between aggressive, moderate and conservative funds. Rev. Walters went on to explain that funds are also divided among "Climate Solutions" portfolios which exclude fossil fuels and companies involved in major environmental controversies. The Climate Solutions portfolios are subdivided into Renewable Energy, Energy Efficiency, Green Transportation, Green buildings and sustainable Agriculture. Rev. Walters discussed the Three Simple Rules from www.threesimplerules.org (Overcome what doesn't work; Improve and expand what does work; and Magnify the love of God), hosting five interactive workshops for 178 people in 47 churches. The Foundation also sponsored a training with fundraising expert, Bonnie Marden to hone leadership skills. The Foundation will grant $36,500 to local churches and organizations and has granted more than $1,000,000 to 200 plus ministries since 1999. Since 2017 the Foundation has distributed more than $95,000 for 80 student scholarships and has matched $75,000 to local Food Banks. The Foundation has 2022 goal to give $10,000 per year to minority scholarships recipients through a new fund called "Uplifting Young Methodists Scholarship," aka "UYMS." Foundation Board members will match donations, dollar-for-dollar, up to $70,000. Donations can be made at umfnic.ord/uplift.

Following The United Methodist Foundation report, Bishop Hopkins adjourned the Foundation meeting and reconvened the Annual Conference at 10:56 a.m. The Bishop called upon the Board of Pensions Chairperson, Rev. Katherine Paisley, pastor Rochelle UMC.

Rev. Paisley presented legislation 680.01 Benefit Programs, an annual petition regarding eligibility for coverage which included one change in reviewing health benefits so that only years of service in the Northern Illinois Conference will be credited for Northern Illinois Conference health benefits. Following the explanation, Rev. Paisley moved the document 680.01. Bishop Hopkins called for questions/comments. Hearing none, **he called for the vote which was 289 to 22 or 92.9% in favor of the motion.**

Rev. Paisley then presented document 680.02, an authorization for an initiative that would provide funding for future retirees' pension and health benefits in times when the funding provided by the Clergy Fund and local churches would not be enough to cover the needs. Rev. Paisley explained in detail how potential funding gaps can occur between what monies are obligated to future retired clergy and what monies are actually taken in. These gaps can be caused by longevity of clergy and spouse, investment returns, and other conference obligations. This funding initiative, called "Because They Cared" would permit the recognition of specific deceased clergy with $100 contributions which would be acknowledged with the person listed on an "Honor Roll of the Saints' and the funds collected would then be used for the possible funding shortfalls.

Rev. Paisley moved document 680.02 be approved. With the motion before the floor, several questions regarding the motion were answered: 1) If every church paid clergy insurance, etc. in full would this initiative still be necessary? Rev. Paisley: Yes, because a) what church is billed is for their current pastor not those retired and b) the uncertainty regarding investments. 2) Is Westpath not investing the funds to get the money needed. Lonnie Chafin explained that Westpath are the accounts of the current retirees which the Conference guarantees. "Because They Cared" are funds to make sure the conference can meet those obligations going forward. Mr. Chafin: Between 2018 and 2023 we will make a $5.6M contribution to fund pensions for those who served before 1982, all coming from reserves. We need to prepare. 3) How much is the initiative expected to raise? What is the balloon payment? Answer: Rev. Paisley: We have no expectations, just hopes. Rev Paisley explained that this is an initiative that would be ongoing, not a campaign which would have a limited time frame. Lonnie: Assuming a poor market performance, there is a $250,000 payment due in 2035 and half a million a year after that. 4) Is this a NIC conference family only, or can you contribute to honor other clergy. Rev. Paisley: Yes any clergy from anywhere can be honored. 5) Are the amounts invested in post 1982 be cut. Mr. Chafin: There are no cuts to pensions, etc. Once Funds are at Westpath, they are locked for your lifetime. We are talking about the retiree health benefits, that is where we trimmed $75,000 because of duplications in funding, etc.

There being no further questions, Bishop Hopkins called for the vote. **680.02 Vote 303 to 16, passing at 95% approval.**

Bishop Hopkins called upon Rev. Tammy Scott, CCFA to present final information regarding the budget before the vote. Rev. Scott answered the following questions which were submitted to the committee: 1) "What are social reform grants?" Answer: Three grants from applications submitted before November 1, 2021. 2) "Is the budget impacted by the appointment of a dedicated Bishop for the NIC?" Answer: The Conference received $85,000 from the GCFA for support of the Episcopal office. The NIC does not pay the Bishop's salary and does not affect the conference budget. Stephanie: "Did support for conference camps remain the same for the

coming year?" Answer: The amount remains flat. $170,000 was provided to help camps meet salaries and obligations while the camps were closed during 2020 during Covid closures. Question: "Can you provide more information regarding the DS salaries." Answer: Each salary is $91,858, so times five DSs is a total of $469,293 for all five DS salaries. This is the first raise for DSs in four years and is a raise of $184 a year or $3.50 a week. Question: "Is the pension shortfall addressed in the budget?" Answers: Pension and Salary of Clergy is not part of the conference budget. The Board of Pension has its own budget. Following these questions and answers, Stephanie moved approval of the budget.

Bishop Hopkins asked for questions/ comments. Hearing none, he called for the vote. **Vote was 315 in favor to 8 against, or passed at 97.5% approval.**

Rev. Scott thanked the retiring chair of the CCFA, Stephanie Uhl for her nine years of service to the committee.

Deborah Dangerfield thanked the Conference Committee and the Conference staff, as well as the GNTV and AVTV staff for their work in getting the conference to run smoothly. Deborah reminded the conference that the 183 Annual Conference will be June 8-10 in person at the Renaissance Schaumburg Convention Center. There will be just one session next year.

Bishop Hopkins thanked everyone who planned the conferences, both summer and fall. Thanking those who participated in the Fall on-line virtual conference, he noted that our spirit goes beyond our in-person meeting. Reflecting on the use of Zoom meetings, Bishop Hopkins pointed out that there is a new openness to virtual connections and thus more opportunities to share. He urged clergy to consider before adding another event or program, to think about developing relationships using this medium, adding that he believes that this is the future in relationship building and being in ministry together. To the local churches, he suggests that they give thanks that the church is finding ways with small just-in-time meetings, spiritual formation groups or small Bible studies virtually that enable us to be part of the Church, even when we cannot be together in person. Bishop Hopkins added "I think we will always have a new hybrid way of having the church and that Jesus will always be with us."

Looking towards the end of the Pentecost season and looking forward to Advent, Bishop Hopkins closed the session with prayer.

The session ended with a North Central College video of the Voices of Praise singing "We Worship You."

HISTORICAL REPORTS

400.01 – Board of Laity

The Board of Laity was saddened this year by the loss of three members of the Board - Kathy Dickerson, Elgin District Lay Leader, Gerald Hayes, member-at-large, Deji Sanyaolu, Aurora District Lay Leader. We honor them and are thankful for their service. Retiring from the Board were long-time members Greg Chapman, Aurora District Lay Leader and Donna Sagami, Northwest District Lay Leader. We thank them for their many years of service and will miss them.

Usually, The Board of Laity reports on numerous leadership training events taking place through-out the conference due to the activities of Board members. These would include district training events lead by District Lay Leaders, Lay Servants academies and Certified Lay Minister training lead by the Director of Lay Servant Ministries, and the training occurring in UMM and UMW through the leadership of the Presidents of both of those organizations. The number of training events was reduced this year due to the pandemic, but the effort to adapt to the challenges caused by the pandemic was evident. Lay Academies in several districts occurred virtually as did training for Certified Lay Ministers. UMM and UMW both held several traditional training events virtually with excellent results.

Over three hundred people attended this year's virtual Laity Convocation. The focus of Laity Convocation was on the third strategic goal of our conference - To Increase the Number of Highly Vital Congregations. The morning was led by a message from interim Bishop John L. Hopkins and virtual reports on activities of the Discipleship Task Force and Anti-Racism Task Force. We then focused on highly vital congregations and three things that all highly vital congregations do. Those things are: Participate in Communal Prayer, Help People Grow in Faith, and Have Multiple Outreach Ministries. Rev. Sue Nilson Kibbey gave a presentation on "Communal Prayer," Rev. Adam Hamilton on "Helping People Grow in Faith," and Rev. Dr. F. Douglas Powe on "Outreach in a New Time." Examples of these three things happening in local churches were presented by Rev. Mike Jones and Diane Klinefelter discussed communal prayer at Bethel UMC in Shannon, Il. Rev. Hannah Kardon and Drew Jones told of helping people grow in faith at Urban Village UMC, and four local churches told of their outreach ministries - Sterling:Wesley UMC, Rockford:Court Street UMC, Chicago:South Shore UMC, and Evanston:Emmanuel UMC.

Conference Co-Lay Leader Connie Augsberger represents the laity on the Conference Board of Trustees and the Episcopacy Committee along with chairing the Board of Laity.

Conference Co-Lay Leader Mark Manzi represents the laity on the Annual Conference Shepherding Team, the Annual Conference Committee, the Association of Annual Conference Lay Leaders, along with chairing the Board of Laity. He also is a member of the Anti-Racism Task Force's Champions Team.

Conference Co-Lay Leader Eugene Williams represents laity on the Board of Ordained Ministry, the Episcopacy Committee, the Nominations Committee, the Board of Church and Society, the United Methodist Foundation Board, and Chairs the CSD Committee of Ordained Ministry, Treasurer of the Conference UMM, along with chairing the Board of Laity.

Respectfully submitted: Connie Augsburger, Mark Manzi, Eugene Williams, Conference Co-Lay Leaders

400.02 - Discipleship Task Force

This year we rolled out our Discipleship Web Page. Check it out at umcnic. org/discipleship or go to the Conference home page and click on our logo! You will find numerous resources! These resources, which were mostly developed this year, are available to delve into and incorporate with action in our churches. Working on the Discipleship Task Force are co-chairs Rev. Caleb Hong and Karen Bonnell, Deacon Sharon Rice, Pastor Seamus Enright, Rev. Devon Brown, Ellen Feliciano, and project manager Amania Drane.

Have a look at our Jumpstarting Youth Ministries videos. One pastor shared that when he was a youth, his pastor was simply present for him. That made all the difference. It was not fancy programs or big budgets that helped him. Click on that series for encouragement whether you are a clergy or lay youth leader, or just a member who wants to help youth. As a bonus, several resources for working with youth are outlined. Also, look for information about Building coNEXTions Youth Leader Symposium and see future plans in conjunction with that.

John Wesley thought having a method was a good idea. As a result, The United Methodist Church is still around! Intentional Discipleship Systems provide structure and method. They lead to effective churches and reaching others with good news. Our outline and list of trainers plus the websites listed are great places to start. Included in resources is the recording of Digging Deeper in Intentional Discipleship with Scott Sloane & Ken Hughes from Discipleship Ministries. The See All the People website can be accessed from our Discipleship web page as well.

The NIC Prayer Network (umcnic.org/prayernetwork) is an online presence where we systemically pray for all NIC churches and clergy plus church leaders and NIC Advance projects. There is a monthly devotion as well. The NIC Prayer Team meets monthly. You can request an agenda through DiscipleshipTF@umcnic.org. You may even request a Zoom link to join us!

You will find your church is enriched by taking advantage of our resources. But they can help you only if you put them to work! umcnic.org/discipleship. Have a look. Then start using them.

400.03 - 2021 Program Ministries

The Program Ministries of the Northern Illinois Conference includes committees, boards, agencies and task forces within the conference. There are approximately 50 such groups. These groups live out the vision of the Northern Illinois Conference in "Making and supporting vital Christians in vital congregations that engage with their communities and the world for peace, justice and mercy." At the conference level we strive to do what the local church cannot do alone.

The work of these ministries is greatly dependent on the energy and creativity of volunteer lay and clergy. While we have administrative and communication staff who give support to the important work of these groups, Northern Illinois does not have dedicated program staff.

The work of the program areas is linked to the Annual Conference Shepherding Team through three representatives covering the areas of Age Level Ministries represented by Meg Park, Church Development and Revitalization represented by Laura Wilson Underwood, and Justice and Mercy Ministries represented by Mary Rawlinson.

Under the guidance of the area representatives, ministries are invited to submit a budget request along with an annual report of the work they have done in the previous year. These budget requests are reviewed and funds are allocated with review and affirmation from the Annual Conference Shepherding Team.

While many plans were put on hold during the 2020-2021 year due to the pandemic many of our program areas learned to use online platforms for continued work. Of note, the Conference Committee on Global Ministries took on the major task of reworking the second mile giving program in the annual conference now known as Mission Links: Living the Beatitudes. The Board of Laity produced a successful Laity Convocation online which exceeded all expectations for attendance and the District Lay Servant Academies made the transition to Zoom courses. Groups have witnessed an increase in attendance and participation as programing is offered via the internet. We celebrate the ingenuity of our volunteers as they have found new ways to continue the mission.

With these successes also came great challenge. In the spring of 2020, all camping plans for the remainder of 2020 were put on hold. Camp staff were laid off but several continued to graciously volunteer in looking after and maintaining the camp facilities during the shutdown. This spring there are scaled back plans for reopening the camps with great caution being taken to keep camp users safe. The financial burden of this season on the camp budget and our faithful camp staff will take significant time to resolve.

Our volunteer lay and clergy, dedicated to their areas of mission and ministry, have done an amazing job of continuing to connect the local church to resources, training and opportunities they would not otherwise be able to access on their own.

Thank you to all those who have been so faithful in a difficult time,
Reverend Arlene W. Christopherson

400.04 – Anti-Racism Task Force Historic Report
April 30, 2021

Following the introduction of our three strategic goals as presented by the Annual Conference Shepherding Team, the Anti-Racism Task Force (ARTF) was established in the summer of 2019. This task force currently consists of members; Nadia Kanhai (Co-Chair), Rev. Jarrod Severing (Co-Chair), Rev. Matthew Krings, Rev. Violet Johnicker, Yvette Harris-Black, Rev. Jeremiah Lee, Rev. Luther Mason, and Rev. Jeremiah Thompson. Amania Drane is our project coordinator. However, we must lift names of those who have shared some time with us on this task force. Rev. Irene Taylor, Rev. Chan Choi, and Randy Livingston also contributed along this important process.

The task force decided to focus on three areas of awareness, education, and action. We wanted to impact the youth in our conference, our strong adult laity, and our clergy. Justice Generation is engaging the youth through virtual learning experiences and special guest speakers. This summer they will embark on a virtual justice camp which has caught the eyes of other Annual Conferences across many Jurisdictions. Engaging our adult laity has been through the learning path found on our website, social media engagement, training events like C-ROAR, and the growth of our ARTF Champion Team. This team meets regularly and consists of both laity and clergy. They gather for training, education, and encouragement to take back to their local church and community. We are currently planning training sessions created by members of our Task Force and Champion Team to release to the conference this fall.

Our goal to reach the clergy in our AC began with a congregational and clergy self-assessment and transitioned into the Clergy Peer Reflection and Engagement Series (CPRES). This was a multi-session educational and covenantal time for clergy to share in brave spaces. The pilot program finished in 2020 with a full roll out in the fall of 2021 coming. We also introduced the Ephesus Project which focuses on church exchanges, and different take on the standard pulpit exchange. A full program will be released in the fall.

During last year's Annual Conference, we drafted and celebrated the passing of legislation to require Anti-Racism training for all clergy once every quadrennium. We are currently in conversation with BOOM, our ethnic caucuses, and other conferences regarding the multiple training opportunities that will be offered.

The ARTF has been incredibly busy planning, implementing, and evaluating many projects and initiatives this past year and look forward to following God's guidance in the coming year.

400.05 – Conference Commission on Religion and Race Historical Report to Annual Conference
June 2021

The stresses of a pandemic, national racial justice protests, and extreme political and social polarization has lent urgency to the task of confronting racism. Much of the effort of the Conference Commission on Religion and Race (CCORR) leadership has been directed in support of the Northern Illinois Conference (NIC) goal, adopted in the Annual Conference of June 2019, "to live out the conviction that racism is incompatible with Christian teaching". To that end we underwent training in a workshop on "Introduction to Systemic Racism" offered by CROAR (Chicago Regional Organizing for Anti-racism).

Nadia Kanhai, Co-chair of CCORR, assumed a second role as Co-chair of the NIC Anti-Racism Task Force (ARTF), and helped to lead the development of initiatives in pursuit of this mandate. In this role, she initiated quarterly meetings of GCORR with key leaders from CCORR, ARTF and the Cabinet. Lennox Iton, Co-chair of CCORR, developed an anti-racism training program that was piloted in a suburban local church with an overwhelmingly white membership. It consisted of eight sessions of virtual meetings during which the film "The Long Shadow" was viewed and discussed; concepts of systemic racism, intrinsic bias, white fragility, and principles of anti-racism were discussed; and the participants developed a vision of racial justice and equity for the congregation. He is currently engaged with the Anti-racism Curriculum and Training Committee of the ARTF Champion Team in developing a training program for laity to be deployed throughout the NIC later this year.

For the second year, CCORR has assumed primary responsibility for the annual Rev. Martin Luther King, Jr. Celebration Event in the NIC. The responsibility was shared with Black Methodists for Church Renewal (BMCR). This year, due to the restrictions on gathering necessitated by the pandemic, we were forced to make the event a virtual one. This prevented the fellowship of associating and eating together that is a usual hallmark of the event. The program was held on January 31st instead of January 17th so that it served to honor Dr. King's birthday as well as Black History Month. The theme of the program was "Where Are We On the Arc Of The Moral Universe (Bending Towards Justice)?", and the keynote address was given by Rev. Dr. Stacey Cole Wilson, Executive Minister of Justice and Service in the Baltimore-Washington Conference of The United Methodist Church. The rest of the program featured prayers, music, and a complementary presentation on gender queer acceptance.

Over the past year, CCORR worked with the ARTF and BMCR to advance anti-racism clergy training legislation. This year CCORR plans to bolster its efforts in support of pastors and congregations in the NIC that are involved in Cross-Cultural/Cross-Racial appointments. Recognizing this, the CCORR co-chairs have attended the 2021 Cross-Cultural/Cross-Racial Ministry Spring Training Conference organized by the Center for Leadership Development North Texas Conference. The plan is to facilitate regular gatherings of clergy and Staff/Parish Relations Committee Chairs in each District once in-person gatherings can safely be organized in the aftermath of the pandemic.

400.06 - 2020-2021 Conference Committee on Native American Ministries Historical Report

During the pandemic we were able to provide virtual support for our Native American Ministry of Presence on the north side of Chicago. Bill Buchholtz continues to coordinate this ministry. He provided ministry through his music both virtually with the Kateri Center, the American Indian Center, the Indian Health Service by being a board member and for funeral services of those who died.

We collaborated with the NIC Racism task force, the Justice Generation and Rev. Chebon Kernell, Director of the Native American Comprehensive plan where we provided leadership for an educational event regarding the Use of Native American imagery for Mascots. The movie watched was entitled, More than a Word, which gave evidence of how harmful the use of Native American names are to Native people. The event was open for youth, young adults and adults for the annual conference via Zoom and was well attended.

The members of CONAM have spoken at and celebrated with churches observing Native American Ministries Sunday, provided pastoral care with Native Americans, and offered learning opportunities about Native culture within the local churches. This year we were also consulted with the use of Prairie for our district names. Our belief is that on the surface it would seem that using Prairie and Lake is an innocent concept that does celebrate our land and water. The complication is that it also corresponds to the time when settlers and/or to the colonial time period, especially as depicted in movies or books about "settling on the prairies was very positive" however there were harmful results that happened to the Native indigenous people who lived in Illinois. This land was so valuable that all Native people were killed or forcibly removed from the prairie and lakes they loved. If the districts are renamed to Prairie then at every meeting in a district or at annual conference we need to remember the history of the people who lived on the land that we call Northern Illinois Conference. This would be a continuation of our acts of repentance. One part of the acts of repentance was when a church closed is to give back the land to the tribe whose land the church sits upon. Maybe this might happen in our conference.

Let us remember the words from Black Hawk (Mahkate:wi-mesi-ke:hke:hkwa)-Sauk Nation, when he said, "We thank the Great Spirit for all the benefits He has conferred upon us. For myself, I never take a drink of water from a spring without being mindful of His goodness." Let us remember the Great Spirit's goodness of the beautiful prairie and water that gives us sustenance and all the Native Nations that lived and still live in Northern Illinois.

With Gratitude,
Rev. Dr. Michelle Oberwise Lacock, and Gene Green Co-Chairs,
Committee on Native American Ministries

400.07 - The Northern Illinois Conference Status and Role of Women Historical Report 2020

The General Commission on the Status and Role of Women, one of 13 general agencies of The United Methodist Church, advocates for full participation of women in the total life of the church. We are helping the church

recognize every person, clergy and lay, women and men as full and equal parts of God's human family. We believe that a fully engaged and empowered membership is vital to The United Methodist Church's mission to make disciples of Jesus Christ for the transformation of the world.

Women have gained a stronger voice and greater roles of leadership and responsibility in the mission, work, and leadership in The United Methodist Church since GCSRW was formed in 1972. Our work is far from finished. Many U.S. congregations still refuse to accept a woman pastor. Women are underrepresented as clergy, superintendents, and bishops. Women are twice as likely as men to be targets of sexual harassment and misconduct in the church.

This is a case I kept you informed of for two years. The #MeToo Case ends with surrendered credentials June 11, 2020. A former interfaith leader who faced multiple accusations of sexual misconduct and abuse is no longer United Methodist Clergy. Rev. Donald Heckman, who goes by "Bud," withdrew from West Ohio Conference membership June 10,2020. He surrendered his credentials as ordained elder. Sexual harassment, misconduct, and abuse brought by four women, one was his former wife Laura Heckman, she is relieved that he is no longer a "Rev". But regrets it has taken this long. He was a pastor for more than 20 years in the West Ohio Conference.

Clergy, church leaders, and anyone working in ministry, have power over the people they serve. This inherent power is often referred to as a sacred trust. People look to those in ministerial roles to nurture and guide them, making themselves spiritually and emotionally vulnerable, because they believe God has given their leaders authority. The Bible says that clergy and lay ministers have been "entrusted with the mysteries God has revealed" and "those who have been given a trust must prove faithful" (1 Corinthians 4:1-2 NIV). In other words, where there is power there is also responsibility to do no harm; the betrayal of sacred trust occurs when professional boundaries are violated, potentially turning God- given power into a weapon of abuse (UM Sexual Ethics, 2019).

On May 10, 2020 we attended the Mother's Day Breast Cancer walk, this was my 20th year walking for BC, more than 250 registered; it was virtual. August 6, 19, 23, 2020 Conference UMW Mission u's theme was Finding Peace in an Anxious World. It was also a virtual event. October 8-10, 2020 was the GCSRW Women Leadership Summit. The theme of this even was "I am Her." More than 300 registered and we were there. November 3, 2020 we all helped to elect our first woman Vice President of the United States -Vice President Kamala Harris what a day of rejoicing for all women.

We will continue to raise awareness preventing sexual misconduct making the church a safe place for everyone to worship.

Dr. Irma Clark, Chair, NIC Status and Role of Women

400.08 - Chicago Black Methodists For Church Renewal, Inc., of Northern Illinois Historical Report – 2020

Chicago BMCR began the year with great enthusiasm and expectation. Little did we know that our projected plans would be interrupted by the onslaught of a mighty world-wide pandemic. Although 2020 became difficult and challenging, we, like nursery-rhyme's Jack, became nimble and quick in jumping over COVID-19 hurdles and barriers. BMCR was able to maintain its identity and heritage through collaborative relationships that brought together groups and people to respond to various ministry challenges impacting our churches and communities. By God's grace, BMCR was able to carry out its role as a mission-driven force dedicated to helping congregations continue to be effective and fruitful in mission and ministry. Regardless to the coronavirus invasion, many church ministries became explosive in responding to the needs of their communities. They rose above and beyond their normal practices because their communities required their greater response. We were privileged to witness the mighty move of God in the dedicated volunteers and their commitment to serve. It was a blessing to be a resource and share with them in their ministries.

<u>Closing Thoughts to Share</u>

Many issues, currently and forthcoming, are and will directly impact Blacks in the United Methodist Church. We praise God for our continued presence and the opportunity to faithfully serve Him, His Church and His people. In the words of the great hymn of the Church, "We are not divided, all one body we, one in hope and doctrine, one in charity. Onward, Christian soldiers, marching as to war, with the cross of Jesus going on before."

400.09 – Office of Connectional Ministry

The 2020-2021 conference year took some surprising turns since the last DCM report written in March of 2020. In those early days of the pandemic, we thought life would return to normal by summer, then by fall, then by the beginning of the new year. Now as I write this report in April of 2021, we pray that we will be able to meet safely again for annual conference and General Conference in summer and fall of 2022.

In early 2020 our biggest concerns were for the work of General Conference, the assignment of a new bishop and the uncertainty in the United Methodist Church. These were important issues but not as important as the preservation of life, the care for our global family and the 3 million deaths that have occurred since last spring. Families have been devastated by loss. Children are orphaned. Our medical system has been stretched to the limit. Then the spotlight on systemic racism and unfolding events throughout the year rightfully pulled our attention from our internal differences to the pervasive issues of race in our country. The sanctity of life, the value of all humankind, the care for one another with respect, no matter ethnicity or belief, pulled us out of our internal struggles and differences and into a place where we are called to give witness to Christ love and peace.

The work of the Director of Connectional Ministries is to integrate the vision of the conference into the work of all areas, supporting our programming and connecting our conference administrative team and our ministries with one another. In doing this we link our conference to the work of the wider church. The role of Director of Connectional Ministries is a half-time position supported by administrative services and our communications staff. While staff have been working remotely throughout the year, their output has maintained high standards as we call on everyone to learn new ways of functioning.

This year was one of pivoting. In March 2020 we consolidated district support staff. With that move connectional ministries staff took on a broader role in supporting the work of the districts. District Administrative Assistants and DCM staff are growing in their work as a team.

In March we launched the bi-weekly district enews designed and produced by our Communications Specialist Diane Strzelecki. Little did we realize that this new communication tool would have such a timely purpose in keeping local churches and leadership informed as we moved through the stages of the pandemic. Later in the year Diane worked closely with the Conference Board of Global Ministries on their new advance special program: Mission Links.

By April we began offering Thursday Trainings on ZOOM on a regular basis. This pivot quickly gave lay and clergy leaders resources, tools and a forum for learning. Topics included: How do you worship on Zoom? Exploring the theological and practical implications of on-line communion. Addressing issues of white supremacy and racism. These trainings grew out of the needs identified in our local churches. Eventually more formal resources were produced, but early in the pandemic our communications staff filled a void. Bishop Dyck also began to offer Monday Morning Messages to the conference in this time of crisis. Both the planning and execution of Zoom trainings and bishops' videos were managed by Director of Communications, Anne Marie Gerhardt.

As we began to offer on-line learning, our events coordinator Laura Lopez adapted her tools and skills to fit the needs. In 2020 she managed registrations for 40 events, with a total of 6,079 persons registered for conference, district, program areas and agencies. Laura led us into virtual meetings and helped us pivot into a new look for annual conference.

Hard decisions were made about our conference camps as safety became a priority and all programming was cancelled. Staff were laid off and our camps are in a difficult financial position. Jeff Casey, while unemployed, gave amazing leadership to the decisions needed to maintain the property, accommodate individual camp users and plan for some level of camping in 2021.

Then came the big decision – how to meet for an annual conference. Nothing about this proposal was routine and so we all learned, explored options, networked and rethought until we pulled together the November 2020 Virtual Annual Conference Session. Again, this work required a tremendous amount of time and adaptation from our events and communications staff. Evaluations for the session gave it high marks and the work of the connectional ministry's office shined through.

In the summer we applied for and received a special grant from the General Commission on Global Ministries to help support the hardest hit communities of color during the COVID crisis. $15,000 was used to give support to feeding ministries, medical missions, food pantries and emergency assistant for those who were in need.

Through all of this the "normal" work of the office of DCM continued. Staffing the Board of Laity, Nominations, Annual Conference Sessions Committee, Conference Board of Global Ministries, sitting on the Conference Council on Finance and Administration, as well as support for the Annual Conference Shepherding Team and the Strategic Goals of the annual conference.

The adventure continues as we move into the 2021 conference year. We will be virtual again for our clergy and annual conference sessions this year. Even as the face further challenges, the work of the conference continues to evolve and connect.

Thank you to all the wonderful lay and clergy volunteers and our talented staff for keeping our mission alive through this unprecedented season.

In Service, Rev. Arlene W. Christopherson

400.10 - 2021 Vital Congregations Task Force

The Vital Congregations Task Force has launched a pilot program with 14 churches across the conference with representation in every district. Over the next two years congregations are working with leadership from Epicenter, led by Paul Nixon, in assessment, planning and implementation toward vital ministries.

The goal of this pilot program is that each church works with their coach-consultant(s) to create a ministry development plan with actionable steps, a plan that is within their reach to garner church consensus. The plan will focus on their assets and values, as well as the needs and values of their community, to discern a clear way forward for their church. The plan will focus on building community relationships and partnerships for more effective and synergistic ministry. The plan will take seriously the post-Christendom and post-COVID context.

The strategic team has also perfected their tool for measuring the vitality of churches based on spiritual, financial, worship and missional factors. The analysis of church vitality will be rolled out to congregations along with tools and support to move the church to a more vital ministry throughout 2021.

Meanwhile, coaching options and trainings opportunities are underway in partnership with the Office of Congregational Development.

Members of the Vital Congregations Task Force are: Mike Jones, Brittany Isaac, Dennis Langdon, Robert Butler, Eddie Eddy, Bob Pritchard, Cerna Rand, Tina Shelton and Tedd Steele

400.11 - United Methodist Women Historical Report 2020

United Methodist Women shall be a community of women whose purpose is to know God and to experience freedom as whole persons through Jesus Christ; to develop a creative, supportive fellowship; and to expand concepts of mission through participation in the global ministries of the church.

The Purpose is the official mission statement of United Methodist Women. It has four mission foci that relate to the mission initiatives and priorities of United Methodist Women.

- To be a community of women
- To know God
- To develop a creative and supportive fellowship
- To expand concepts of mission

During the COVID-19 pandemic year of 2020, United Methodist Women embodied the Purpose by continuing mission, advocacy, and service for women, children, and youth.

The conference leadership team and Spiritual Growth Coordinator created a "Stay in Touch" weekly devotional to promote unity and encourage prayer during the shelter-in-place directive. Many women focused on building more vital Bible study groups linking district participation and diverse communities of faith.

Across Northern Illinois Conference, women sewed face masks for their local communities and beyond. They created free pick-up stations outside of churches and delivered to nursing homes, women's shelters, UMCOR, and Midwest Mission Distribution Center drop-off locations. Some joined an ecumenical group to make over 600 masks for a Conference-affiliated child-serving agency. Those who didn't sew purchased masks and grocery bags to help various food pantries.

Despite the pandemic shutdowns and churches closing, women shared stories, exchanged ideas, and applied innovative fundraising concepts to annual events (flower sales, salad fiestas, dinners, and silent teas) in a safe way. Northern Illinois Conference reached 80% of the 2020 Pledge to Mission.

We extended grace to each other as many sought to learn the technical aspects of conducting virtual meetings. In August, the Conference and Dean hosted Mission u. Our Spiritual Growth Study, appropriately named "Finding Peace in an Anxious World," was led by Rev. Young-Mee Park. The fall brought annual district meetings, exciting speakers, the election of officers, and leadership training. Our Annual Meeting was on October 24; the theme was "Listen: With Fresh Ears and Eyes." Rev. Danira Parra, from the Illinois Great Rivers Conference, was the speaker, and music was provided by the VOYE Ensemble (previously the Marcy Newberry Children's Choir).

Although the pandemic physically separated us, we didn't allow it to prohibit our expression of faith, hope, and love in action through mission, advocacy, and service.

To God Be the Glory,
Lois Moreland-Dean, President, United Methodist Women, NIC

400.12 – Historic Report – Program Ministries (Council for Older Adult Ministries)

Because of the pandemic, the OAM Council refrained from in-person meetings and engagements. The Council, however, was making its presence and objectives known to constituents by email and the Internet. The OAM Facebook Page was active all the time as source of information and references. At the close of 2020, the Council connected with the Discipleship Ministries in Nashville for assistance in a proposal to hold webinars in the conference on ministries to older adults during the pandemic. The discussion on the proposal convinced the DM to assume and to lead the project for the denomination with a 3-month series of webinars, January-March, on the subject. Our Council contributed the participation of Rebecca Fraley of DeKalb District as a panelist in one of the series.

400.13 – NIC Board of Global Ministries Historical Report 2020

The Itineration and Missionary Support team reports that at this time all missionaries scheduled to itinerate in 2021 will do so virtually. This will be their only opportunity to itinerate for the next 3 years, so we need to make it the best we possibly can. Beginning in April, we will encourage and equip supporting churches and missionaries to connect in smaller virtual meetings following their Global Ministries hosted #stillinmission episodes. Rath-

er than traveling to the U.S. and making rounds to supporting churches for several months, missionaries will make time available to meet with individual churches for a period of 3 months following their #stillinmission episode.

We are glad to report that CCFA added resources to the budget to support COVID19 response in the Central Conferences and assist Global Health's Intervention and Crisis Support for Those Affected by COVID-19.

We are in discussions with Bishop Hopkins, the General Board of Global Ministries' Global Health Unit, and Burundi and Nigeria medical health boards concerning opportunities to establish relationships and support medical mission projects in those countries.

We coordinated with the Midwest Mission Distribution Center (MMDC) last October to send trailers across the conference. NIC churches donated an amazing 5,020 pounds of Personal Dignity Kit items and nearly $1,000 for the November Virtual Annual Conference Fill the Truck Mission Challenge! We thank MMDC, collection-site churches, volunteers, and everyone who contributed to the 2020 Mission Challenge. We are working with MMDC to organize a similar effort during the weeks before the July 2021 Virtual Annual Conference.

Each year, the church with the highest per-capita contributions receives the John Wesley Award, which this year goes to Hanover, with a per-capita contribution of 47%. The church with the highest total amount of financial support receives the Phillip Otterbein Award, which goes to Libertyville, with a $22,000 contribution. We had 152 churches with 100% apportionment giving and 54 Rainbow Covenant churches.

We introduced the new version of our conference mission giving in April 2021 for the new quadrennium. Historically, the mission book has been called the Rainbow Covenant Book. After 10 months of work we were able to present Mission Links, Living the Beatitudes. Each mission site and missionary is given an icon/s indicating how they link back and are responding to Christ's message in the Beatitudes. Churches must still be faithful and honor 100% of apportionment giving to be recognized as a Mission Covenant Church like a Rainbow Covenant Church in years prior. We are so grateful for staff member, Diane Strzelecki, who did the design and heavy lifting to make this book happen.

We said good-bye to our faithful chairman, Rev. Christina Meyer. She is a deaconess who teaches Special Education in the Rockford Public Schools. Christina joined the committee in 2016 and was chairman from 2018-2020. We miss her leadership and wish her well on her next adventures.

We say hello to new member, Reverend Amos Oladipo, who is an elder currently serving at First United Methodist Church of Oak Lawn since July 2020 and Grace United Protestant Church, Park Forest since 2017. Reverend Oladipo is currently a member of Chicago Southern District Committee on Ordained Ministry, member of Conference Champion Team on Anti-Racism, and member of Committee for Worship for 2021 Annual Conference.

We give thanks as always for Rev. Arlene Christopherson who provides us with much support. She is our champion for the work.

400.14 - The Northern Illinois Conference Task Force HIV/AIDS Historical Report 2020

Our Task Force mission and ministry is to inspire, educate, advocate, and provide spiritual support to those infected and affected by HIV/AIDS in our congregation and surrounding community.

2020 World AIDS Day Theme: "Ending the HIV/AIDS Epidemic" Resilience and Impact. World Aids Day is a day to unite in the fight to end the HIV epidemic, support people living with HIV and honor those who have lost their life.

2020 Theme focus on the Global commitment to deliver quality, people-centered HIV prevention and treatment service for Impact. Know Your Legal Rights--If you are HIV Positive, you only have to tell: Your sexual partners and your needle-sharing partners. You do not have to tell: Your employer or co-workers, your landlord or neighbors, your family or friends, your roommate or teacher. It's your business who you tell!! Discrimination against people with HIV is against the LAW! You can't be fired, denied a job, kicked out of your apartment, denied medical treatment, or kicked out of school because you have HIV. The Law Can Protect You! www.aidslegal.com

We as a Task Force continue to share information and keep the local church, district, and the conference aware of the National Awareness Days of HIV/AIDS. We also celebrated World AIDS day December 1,2020 at McCormack Theological Seminary and virtually the World Day of Prayer March, 2020. HIV has not gone away; we must continue to work together to help combat this disease.

Matthew 7: 12, Therefore, you should treat people in the same way that you want people to treat you; this is the law and the Prophets.

400.15 – NIC Council on Finance and Administration Historical Report

Our world has changed significantly in the year since our last historical report was submitted, and our conference and churches have faced many challenges, including financial challenges and uncertainty. In April 2020, as the financial concerns for our local churches and our conference began to grow, CCFA and our Treasurer moved quickly to secure a PPP loan from our bank, Wintrust, through the CARES Act for $1.009 million dollars. This funding helped us to continue to cover payroll, benefits and utility expenses during the stay at home orders. CCFA also implemented a spending plan which reduced the expected apportionment income from our budgeted amount of $4,387,105 to $3,572,290 for 2020. The primary reduction in expenses has come from reduced travel and programming costs that were unable to take place in person due to the current pandemic and related

restrictions on gatherings. With our PPP loan, the 2020 spending plan, and the continued support of our local churches, we were able to continue to meet all of the financial obligations of the conference. In 2020, we received conference apportionments of $4,240,022 and general church apportionments of $437,548, which results in total apportionments received of $4,677,571. Our total conference expenses were $3,741,006, and the conference was able to pay an additional $749,624 in General Church apportionments (above what churches designated specifically toward general church apportionments). As a result, we were able to pay a total of $1,187,173 in general church apportionments, which is 81.5% of the total amount billed. We are thankful for the faithfulness of our local churches during this difficult and uncertain time.

With the pandemic continuing in 2021 and the government approving a second round of PPP funding, our Treasurer was able to obtain a second PPP loan for the conference from Wintrust for $1.8 million. We will again use these funds to pay for salaries and benefits. CCFA will continue to monitor the conference's finances to ensure that our we meet our financial obligations.

In the early part of the pandemic, we also sought to support our local churches through online training. Our Treasurer hosted webinars to assist churches with online giving options as well as applying for PPP loans, which were posted online to assist those who could not attend. Based on the information obtained from our local churches, 91 churches received over $3.126 million in PPP loans through the CARES Act. We greatly appreciate the value our UMC connection played in assisting churches in obtaining loans. Local churches who were able to obtain loans shared various resources with other local churches, including information on the loan process as well as information on lenders who were accepting applications from churches. It was great to see the strength and value of our UMC connection in such a difficult and stressful time!

Our 2019 financial audit was completed in June 2020, with only a slight delay due to the pandemic. The audit showed significant improvement in credit card receipt tracking as a result of additional controls that were implemented in late 2019, and our auditors reported that our credit card controls were up to standard.

Despite the difficult financial times, all the churches with loans through The Red Door Fund have continued to make payments as planned.

CCFA would like to thank our Accounting Director, Athena Staveris, for her 21 years of service to the Northern Illinois Conference. Athena retired in October, and our new Accounting Director, Brady Goetz has been in place for approximately 6 months now. Brady had previously worked for the NIC over 20 years ago, and we are excited to have him aboard!

Respectfully Submitted,

CCFA Executive Team: Stephanie Uhl, President; Rev. Tammy Scott, Vice-President; Rev. Cynthis Zolk, Secretary; Rev. Scort Christy; Lonnie Chafin, Treasurer/Director of Administrative Services

All portfolios are broadly diversified among major asset classes and all sectors of the economy but in different proportions to reflect each fund's objectives. The Foundation retains SouthCol Advisors, LLC as its investment consultant. The investment opportunities available through the Foundation offer churches and UMC-related organizations professionally managed, well-diversified accounts, invested according to the guidelines for socially responsible investing outlined in The Book of Discipline of The United Methodist Church. In addition to screening out objectionable companies, the Foundation also screens in companies that rate more highly than their peers in the areas of Environmental, Social, and Governance, always optimizing asset allocation and performance.

The investment policies of the Foundation provide for a disciplined approach and to meet a variety of investment objectives. Net of all fees, the returns of the three fund models are (up to the most recent reportable month, as of this historical report, March 31, 2020):

As of March 31, 2020, the Foundation had approximately $89 million under management through nearly 700 accounts, owned by 118 local churches and several agencies and organizations. More than 200 of the accounts benefit several dozens of annuitants, trust income beneficiaries, and the charitable interests of donor advised funds.

Since 1999 the Foundation has provided several grants each year, totaling more than $1,000,000.

The Foundation continues to participate in Dollars for Scholars (DFS), operated by the United Methodist Higher Education Foundation. DFS matches support from a student's church, UMHEF, participating United Methodist-related schools, and participating Conference Foundations. By participating in this scholarship program, the Foundation completes the matching of some local church scholarships to magnify $1000 into $4000.

The Foundation also continues to participate in the Excellence in Clergy Leadership Scholarship, operated by the General Board of Higher Education and Ministry. If an applicant receives matches from all five partners, they can receive $12,500; the Foundation pledges to match up to five recipients for $2500 each.

In the fall of 2020, the Foundation hosted a series of virtual workshops on stewardship and church vitality for 47 churches and 178 people with renowned pastor, teacher, and author, Michael Piazza. Rev. Piazza's consulting firm, Agile Church Consulting, also provided guidance to participating churches in the first quarter of 2021 for the development of their stewardship plans.

In May 2020, the Foundation invited Methodists to donate directly to the three area food banks that serve northern Illinois to meet the Foundation's match of $75,000. More than 200 people donated $82,000. With the buying power of the food banks that commonly stretch $1 dollar into $8, the generosity of Methodists purchased approximately $1.25 million worth of food to help people in need, especially during the severe economic dislocation caused by the pandemic.

Nearly 200 people gathered in Downers Grove to celebrate the Foundation's 70th anniversary in October 2019. During dinner three former Foundation presidents encouraged attendees with words of wisdom about living generous lives. After dinner we heard the compelling witness of Phyllis Tholin and Sisbro (a covenant group that has pledged 2% of their income to causes decided collectively by the group every year since the 1970s!) and the inspiring stories of seven organizations to whom the Foundation granted $10,000 each.

In August 2019, 38 clergy participated in EY's "Early Career Financial Planning" workshop at Wespath in Glenview, sponsored by the Foundation.

Sincerely,
Rev. Chris Walters
President

400.17 - 2020 Historical Report of the Northern Illinois Conference's Credit Union-Land of Lincoln Credit Union

The year 2020 marked over 80 years that the NIC has participated in making a credit union available. Through a merger in 2014 the Northern Illinois Conference's official credit union became Land of Lincoln Credit Union. It is available to all United Methodists (laity, clergy, or employees) in the state

of Illinois for a wide variety of financial services, including personal and auto loans, VISA credit cards at very reasonable rates, savings and money market accounts, checking accounts, CDs, IRAs, etc. Land of Lincoln CU of-fers online banking options, as well. Its accounts are insured by the NCUA (National Credit Union Administration). The frequently requested ability to deposit checks using cell phones is also available.

The contact number is 309-827-8636 for the Bloomington branch or toll free at 844-222-7788 for the main office in Decatur IL. The website is www. llcu.org. The address of the current office of the Bloomington branch is 115 Susan Dr., Unit 1, Normal IL 61761.

Though based in Decatur, Land of Lincoln CU also participates in Shared Banking with many credit unions throughout Illinois. This means that your account in Land of Lincoln can be handled by visiting any other credit union near you that participates in the Shared Banking system.

Methodist related credit unions date back to John Wesley's involvement in the 1700s. They provide a service-oriented cooperative financial resource to people in a wide range of economic circumstances.

400.18 - NIC Committee on Lay Servant Ministries 2020 Historical Report

2020 was a year like no other that most of us have experienced and it was a challenge for Lay Servant Ministries also.

The "shut down" for the pandemic began right at the time that most of the districts were conducting their Spring Lay Academies. Initially the directors and deans thought they could complete the academies by using caution but soon found that to be impossible, so all were stopped or cancelled. Like most everyone else, laity leadership thought the cancellations for Covid-19 would be infrequent and short-lived, but we soon accepted that not to be the case.

The Conference Committee on Lay Servant Ministries continued their regular meetings although now via ZOOM. We'd used ZOOM in the past when facing winter weather issues but now all meetings were virtual. The districts began to explore how to conduct academies in new ways. In-person sessions had been the foundation of the academies, not just to have the most effective training sessions but to develop and nurture the fellowship of the laity. We faced the challenge of remote learning just as our schools were beginning to experience.

The challenge of virtual classes is so much more than simply moving to a ZOOM meeting. Classes need to be interactive and address the multiple learning styles of all participants. Our districts had been discussing the possibility of virtual offerings prior to the pandemic as we recognized the aging of our laity and the time demands on everyone, but we never expect-ed to be thrown into this INSTANTLY! However, just as our congregations began being creative in conducting worship our district committees began being creative and flexible in designing virtual academies.

Each district has experimented with virtual events. By-the-end of the year nearly all districts had conducted at least one lay academy course virtually

and some multiple. We've learned that we've been given an opportunity to serve our laity in a new way! Our laity have responded to the courses with appreciation for the efforts and gratitude for the elimination of commuting in some cases. We are continuing to plan for virtual academies going into 2021 and expanding our offerings. We have realized the benefit of virtual offerings across district boundaries greater than ever before. We've experimented with flexible time offerings as we know that time on ZOOM must be limited to rather short intervals for optimum effectiveness. We expect to offer virtual classes going forward even when we are able to return to in-person classes due to the geographic and time flexibilities. Our study leaders have acquired vast new competencies in managing virtual classes and the learning continues.

One of the primary functions of the Conference Committee on Lay Servant Ministries is to manage the laity certification process. This has continued through 2020 with the certification of 11 Certified Lay Ministers and the re-certification of 2 Certified Lay Ministers. These CLMs continue their ministries of leading congregations, care ministries, prayer ministries, youth ministries and education ministries. We will be continuing this process in 2021. We also will be working to certify Lay Missioners as Certified Lay Ministers as the Spanish language curriculum becomes available.

Northern Illinois Conference, know that Lay Servant Ministries may be wearing masks and washing our hands, but we're still in ministry within our local congregations, in our communities and across the Conference.

Blessings and safety to each of you!

400.19 - Northern Illinois Conference Chapter of PAUMCS (Professional Administrators of The United Methodist Connectional Structure)

National PAUMCS
The Professional Administrators of The United Methodist Connectional Structure (PAUMCS, https://paumcs.org) is a national United Methodist organization that focuses on the unique ministry of those who work in a United Methodist church office, be it in the local church, district, conference, episcopal or general agency. The mission of the Professional Administrators of the United Methodist Connectional Structure is to provide administrative professionals a supportive base for unity and fellowship and to promote individual growth, professional development, continuing education, and spiritual enrichment. PAUMCS members provide essential administrative support that brings organization and continuity to their ministry. United Methodist church administrators are the critical support throughout the denomination and are the vital link for the connection.

Under the authority & guidance of the General Council of Finance and Administration (GCFA), PAUMCS provides outstanding advanced professional training and enrichment for United Methodist church administrators through the PAUMCS Certification Institute and National PAUMCS Annual Conferences (¶807.19 UM Discipline 2016).

There are currently 14 National PAUMCS members from the NIC PAUMCS, eight of which have completed the Certification program, and three of which have completed the Advanced Certification program.

The National PAUMCS was able to reschedule their COVID-cancelled 2020 Annual Conference to a virtual platform in 2021. Twenty-six NIC PAUMCS members attended the 3-day Virtual 2021 PAUMCS Annual Conference, "Keeping our Eyes Focused on Christ" on April 15-17.

Northern Illinois Conference Chapter of PAUMCS
The membership of the Northern Illinois Conference Chapter of PAUMCS (NIC PAUMCS) consists of all secretaries, administrative assistants and staff, paid and unpaid, who serve in a Northern Illinois Conference church, district, conference, episcopal or general agency. The program and budget are administered by the NIC PAUMCS Steering Team, who are chapter members. There are no chapter dues; programs are provided through event registration fees and donations.

Because of COVID and leadership changes due to NI Conference Office downsizing, the NIC PAUMCS was not able to offer Fall 2020 and Spring 2021 workshops of our own. Thanks to our Minnesota PAUMCS Chapter colleagues, we were invited to join their 2020 Fall Workshop via zoom, "Being Vital" on Oct 26, where nineteen NIC Chapter members participated. The Minnesota PAUMCS Chapter has also invited us to participate in their 2021 Spring Retreat, "Feed Your Spirit," on May 21-22.

Energized and encouraged by these National & chapter virtual events, the NIC PAUMCS Steering Team has added to its numbers, and has begun to meet to resume organized workshops and events of our own for the coming year.

400.20 - General Board of Higher Education and Ministry Report for Year 2020
1001 19th Avenue South, Nashville, TN 3721

The General Board of Higher Education and Ministry (GBHEM) announced its blueprint for the future, "Our Road Reimagined," in 2020. The plan details the realignment of GBHEM's culture and organizational structure to allow the agency to further its mission in a more effective, innovative and sustainable way. The creation of the plan was the result of a months-long process to survey and remodel the agency to set a course that is more collaborative, diverse and equitable at all levels.

While our approach is transforming, GBHEM's mission is not. We remain committed to helping United Methodist lay and clergy leaders discover, claim and flourish in God's call on their lives.

Over the last quadrennium, the world, The United Methodist Church and our constituents' needs have changed considerably. To address those shifting

needs, we are adapting culturally, strategically and operationally to success-fully carry out our important mission and ministry well into the future. We are developing an innovation mindset we know will be important moving forward.

- Last fall, GBHEM began carefully redesigning our organization to transition to a more cross-functional culture with three primary areas of focus: Constituent Relations and Services; Product Innovation and Implementation; and Administrative Relations and Services. This structure is allowing us to be more effective, agile and sustainable.
- Further, these changes are aligning our Ordained Ministry and Higher Education teams strategically, creating more intentional collaborations, and building greater connections between the Church's pastoral and academic ministries.
- The agency's realignment also includes initiatives to reinvigorate our commitment to diversity, equity, and inclusion, and further strengthen our global focus. Our new structure opens the door for fresh opportunities, collaborations and partnerships and becoming more entrepreneurial and creative in our approach.

GBHEM looks confidently to the future. We are taking bold steps to remain good stewards and evolve in service to Christian leaders in a significant way throughout the Church, the Academy and the world.

Regardless of the shifts and changes we are all experiencing, the same spirit of service and leadership that first inspired John Wesley lives on in each of us. We have been called in new and transformative ways. GBHEM is excited to share more with you in the months ahead. We invite you to connect and collaborate.

400.21 - Africa University

Thank you, Northern Illinois United Methodists, for helping to prepare young leaders to be "an aroma that brings life" to a world that is crying out for justice, compassion, healing, and wholeness (2 Corinthians 2:14-16). Through your prayers and gifts, you participate in disciple-making by example through the students, faculty, staff, and alumni of Africa University.

Africa University values the investment of 50 percent of the asking to the Africa University Fund apportionment in 2020. By generously increasing giving by 22 percent in an especially challenging year, Northern Illinois United Methodist congregations are a source of encouragement and strength.

The multilayered impact of COVID-19, including a global public health crisis, has brought about profound and lasting adjustments in how we live, work, serve and connect. For Africa University, these include:

- A shift to online-only teaching and learning from late March through December 2020. As the only university in Zimbabwe accredited to offer online degrees, Africa University had the infrastructure and expertise to transition smoothly and break new ground with competency-based student assessment tools.

- Excellent student retention and modest enrollment growth, with 99 percent of the student embracing online learning. More than 3,000 students enrolled for the 2020-2021 academic year—a 16 percent increase over the previous year—with 2,395 studying full-time. Fifty-seven percent of full-time students were female, and 24 percent were international.
- Innovation, outreach, and service through:
    - The development and distribution of masks and hand sanitizer liquid that are now certified for commercial production.
    - The launch, via a web application, of farm to household delivery of fresh produce, meat, poultry, and milk products by the Africa University Dream Farm Trust.
    - Two student-led initiatives—Feed a Family and Ben Hill UMC Women's Residence Girl Child Support Program—provided medical care, food, and school fees assistance to vulnerable families in the wider community.
- The successful completion of two new buildings—the Highland Park UMC-funded student union facility and a dormitory for female students. A new solar farm powers the Highland Park women's dormitory.

Africa University's online campus is here to stay, thanks to infrastructure upgrades and the lesson learned in 2020. Africa University is currently ranked number one in Zimbabwe and 39th among the top 200 universities in Africa, having moved up 59 spots in 2020.

New programs and partnerships, blended learning options, and innovation are key strategies for Africa University as it seeks to grow its future reach and impact.

Africa University is counting on the North Illinois Conference as a steadfast partner in ministry. Growing their investment in the Africa University Fund to 100 percent is a goal well-worth attaining as Northern Illinois United Methodists strive to lead new people into an abundant life in Christ.

In journeying alongside Africa University in ministry, the Northern Illinois Conference is the church in the world—seeding hope and sharing the love of Christ. Thank you and to God be the glory.

400.22 – Candler School of Theology – 2021

Since our founding in 1914, Candler School of Theology at Emory University has educated more than 10,000 students, shaping thoughtful, principled, and courageous leaders dedicated to transforming the world in the name of Jesus Christ. We continued our work even through this most difficult year, with the coronavirus continuing its march around the world, a reckoning for racial injustice rolling across our nation, and a toxic, divisive political atmosphere challenging our civic life. Perhaps there has been no better year than this to underscore the importance of faithful and creative leaders for the church's ministries throughout the world – the type of leaders we form at Candler.

Though our mission remains unchanged, the pandemic has necessitated many changes in how we undertake that mission: We have shifted classes online, redesigned syllabi to support optimal online learning, developed new ways to worship and experience community together in the virtual sphere, and discerned which new habits and modalities have promise for enriching our work even after the pandemic ends. Through these efforts, we and our students have gained deep experience in being flexible, adaptable, and creative as we respond to the demands of ever-changing context – experience that not only serves us well now, but will continue to serve us and our ministries far into the future.

Candler is one of 13 official seminaries of The United Methodist Church, yet true to the Methodist tradition of ecumenical openness, we enthusiastically welcome students from 44 denominations, with 46% of MDiv students coming from the Wesleyan tradition. Our student body reflects the diversity and breadth of the Christian faithful, with an enrollment of 483 from 12 countries and 37 states, 44 percent persons of color (U.S.), and a median age of 27 among MDivs. This diversity is a rich blessings, and this year we created a new staff position of assistant director of student life for diversity, equity and inclusion to foster understanding and ensure we are responsive to the needs of our diverse student body.

We offer six single degrees (MDiv, MTS, MRL, MRPTL, THM, DMin) and ten dual degrees. Our Doctor of Ministry degree is 90 percent online, so students can remain in their places of ministry while completing their degrees. Our new Chaplaincy concentration is now among our most popular, and our Teaching Parish program enables students to serves as student pastors in local churches throughout the southeast, learning firsthand about shepherding a congregation; this year, there were 36 participants.

Alleviating student debt through generous financial aid remains among our top priorities. In 2019-2020, we awarded nearly $6.6 million in financial aid, with 100% of MDiv and 98% of all students receiving support. All MDiv students who are certified candidates for ordained ministry in the UMC receive full-tuition scholarships, and all MDiv, MTS, and master of religious leadership students who are enrolled part-time or more receive a scholarship covering at least 50% of tuition for the length of their program.

We invite you to visit us online at candler.emory.edu.

Dean Gregory L. Jones will leave DDS to become president of Belmont University.

DDS announced a new hybrid version of its Master of Divinity (M.Div.) program that will give students the opportunity to earn the M.Div. degree without relocating to Durham, N.C. The hybrid learning curriculum combines remote coursework with week-long residential intensives. The first cohort will begin coursework in fall 2021.

DDS welcomed the largest incoming class in school history with 257 new students from 35 different states and seven countries. The Master of Theology (13 students), Master of Theological Studies (34 students), and Doctor of Theology (6 students) had strong enrollment. Our new Certificate in Theology and Health Care will enroll 6 students. Across all degree programs, 31 percent of the incoming class identified as a race/ethnicity other than white. Black students made up 21 percent of all students, Asian students, 5 percent; and American Indian students, 2 percent. The M.Div. degree program gained 113 new students.

2020 also witnessed an expansion of DDS's partnerships, including the Kern Family Foundation partnership with the Office of Wesleyan Engagement to provide accelerated pathways for undergraduate students to pursue the M.Div. degree at Duke which welcomed its first cohort of students from Martin Methodist College. The Americas Initiative, a fellowship of organizations, scholars and practitioners convened by the Center for Reconciliation, is working on peacebuilding among Latin American and Latinx communities, particularly those of Indigenous and African descent. The five-year Black Pastoral Leadership Collaboration is working to harness the research and experiential wisdom of Black pastoral leaders nationally through a leadership school and practical theology archiving project.

400.24 - 2020 Drew University Theological School

Melanie Johnson-DeBaufre, Interim Dean

As with most other schools in the northeast of the U.S., Drew University evacuated its campus in early spring 2020 in response to the COVID-19 pandemic. Drew Theological School faculty and staff adapted to this challenge with resilience, compassion, and creativity. The Theological School faculty put their courses all online, led development workshops for faculty across the university, and, in order to accommodate our many international admits who would not be able to enter the United States for fall 2020, designed an asynchronous Master of Divinity program. As a result of this work, the Theological School welcomed 147 new students, its largest entering class in a decade, with an enrollment of 380 for the current academic year. Our chapel team has also led the way in creating online worship experiences that connect the Drew community now across the globe. All degree programs at the Theological School include interdisciplinary courses that demand out-of-the-box thinking, apprenticeship training that addresses real-world issues, and modes of learning that promote adaptability and innovation. Our MDiv and MATM degrees include a required gateway year, vocational pathways, and experiential learning that develops and deepens adaptive leadership skills. The curriculum features a team-designed and taught interdisciplinary sequence of core courses reflecting the integration of the theological disciplines and practices characteristic of the life of faith. The faculty have also articulated shared values that are infused across the teaching and learning at Drew: a commitment to anti-racism; gender and sexual-identity equality; eco-sustainability and environmental justice; and interfaith understanding and cooperation. Drew cultivates pastors, preachers, deacons, activists, teachers, and thought leaders who go all over the world to take their place as the next generation of faith leaders and change agents.

400.25 - Saint Paul School of Theology

Saint Paul School of Theology, a seminary of the United Methodist Church, is committed to the formation of people for innovative, creative ministry. We are one institution, online and on-campus, in Kansas and Oklahoma.

This past year, we have all faced new challenges amid these unsettled times. Saint Paul School of Theology began the 2020-2021 academic year offering students an online option for all courses. With many students choosing to attend class solely online, our Student Council created a monthly "Chat & Chew" where students, faculty, and staff come together to eat lunch and talk about life, seminary, and ministry. In addition, Rev. Rod Newman, our Oklahoma Campus Chapel Coordinator, crafts a weekly Community Prayer to provide encouragement and faithfulness as the school seeks to provide spiritual formation in new ways.

In February, Saint Paul held the 2021 Slater-Willson Lecture online featuring Rev. Dr. Miguel A. De La Torre. His lecture, "Why Do They Come?" explored the political, economic, and social causes of our current immigration crisis. Before the lecture, Rev. Dr. De La Torre participated in a student-led forum, entering a conversation centering around the practical aspects of ministry

and immigration. Later in April, Saint Paul Evangelical Society, led by Dr. Hal Knight, hosted a lecture given by Dr. Sammy G. Alfaro, Associate Professor of Theology at Grand Canyon University and Pastor of Iglesia Nuevo Dia (New Day Church), on the "Pastoral Strategies for Ministering Among Latinx Immigrant Communities." And for the first time, on May 22, Saint Paul held a virtual commencement celebration with videos, cap and gown photos, online congratulatory messages from friends and family, and a commencement address by Rev. Chebon Kernell. The class of 2021 had 22 graduates, including 16 Master of Divinity and 1 Doctor of Ministry graduates. Due to the pandemic, for safety concerns, Saint Paul has postponed our 60th Anniversary Celebration. However, we have rescheduled the event for Friday, October 22 and look forward to coming together as a community for a safe, in-person gathering.

Through a Board initiative related to diversity and inclusion, Saint Paul created a working group on Native American theology and ministries comprised of Native theologians and church leaders. Their efforts are focused on how the church and academy can work together toward healing generational trauma related to the spread of Christianity and the genocide of Indigenous North Americans.

Saint Paul School of Theology is blessed to be your partner in ministry and help those seeking more to answer the call. We are a seminary that offers online and on-campus classes with a flexible schedule to help our students manage pastoral leadership demands in the 21st century. We are grateful for your support of our students and our seminary. May we continue to live into the call of Jesus Christ to be faithful witnesses for healing in these unsettled times and for generations to come.

President Neil Blair, Saint Paul trustees, faculty, staff, alumni, and students thank you for your prayers and support.

400.26 – Conference Treasurer Historical Report

2020 was the most stressful financial year for the annual conference imaginable. The pandemic prevented many local churches from worshipping in person from April until the end of the year. Important and invigorating conference ministries were suspended. The financial shocks to local churches followed the 2019 Special Session which significantly altered the attachment of members and local churches to the denomination and by extension to the annual conference.

The Conference Council on Finance and Administration quickly modified the budget to assume $1 million less in apportionment receipts for conference ministries in anticipation of financial stress by local churches. The modifications included adding $75,000 in grants to aid health ministries in the central conferences to respond to challenges of the global pandemic. We are thankful to the General Board of Global Ministries to assist in managing the programmatic investments.

Clergy and local churches showed remarkable resiliency to adapt to the challenges of worshipping God without doing so in person. Churches went

to online worship and improved their broadcasts regularly as the year progressed. Churches also reduced expenses because the pandemic limitations imposed upon them. Despite widespread unemployment for most of the year, pledged giving to local churches reduced by only around 7% in the median conference local church. According to statistics reports, church income from all sources declined by 11% to 12% for the median local church.

The Federal government created a "Paycheck Protection Program" which provided direct subsidies to local churches to continue payroll while the rules prevented them to meet in person. Almost half of the local churches participated in the program and secured over $6 million in grants through the program. The annual conference secured a grant of $1 million. Undoubtedly these grants from the federal government were instrumental in viability of many of the churches that applied. It is worth noting that the system awarding grants was more difficult for people of color.

The camps were closed by state government edict. The lack of revenue caused considerable stress on the camping program, leading to the furloughing of camp staff until 2021 when pandemic restrictions were lifted.

Apportionment income for the year for all funds equaled $4,677,571. We are so grateful that the result was only about $200,000 less than 2019. We believe the result indicates the value of the connection for supporting local churches through the stresses of the pandemic. The conference did not use reserve funds to meet operating expenses even with the losses in the stock market and the reduction in income. Conference Council on Finance and Administration thanks the cabinet, program staff, and Annual Conference Shepherding Team for willingly adapting plans to the fiscal realities.

The Red Door Fund created by an April 2013 Special Session of the annual conference has continued with no deficiencies and no delinquencies. The original agreement with Wintrust was for 7 years. By mutual agreement, in 2019 we negotiated a 10-year extension to the arrangement. The new arrangement eliminated interest rate risk to the program. We continue to reduce the loan owed to Wintrust more quickly than scheduled.

The property insurance program, because of reduced claims, ended the year with significant revenue to meet all costs. Revenue for the clergy benefits programs increased in 2020, relative to 2019. Actuarial adjustments made by Wespath caused the need to make an additional payment to the pre-82 defined benefit liability. We again made the payment from the reserve for pension and health benefits. The Book of Discipline requires full payment of the liability by 2021. While we have met this goal, we are obligated to make additional payments when market results disappoint relative to expectations and when Wespath changes the assumptions used in calculating the liability.

Audit
Again, the Northern Illinois Conference received an unqualified approval of our annual audit. The complete audit is part of this report.

We are blessed with a talented and church-loving Treasurer's staff. I am thankful for the opportunity of serving as Conference Treasurer and apologize broadly to all who are still waiting on a return phone call.

Grace and Peace,
Lonnie Chafin
Conference Treasurer

400.27 - Historic Report - Annual Conference Shepherding Team 2021

Prior to the Coronavirus pandemic, the Annual Conference Shepherding Team (ACST), which was formed in fall 2017, was poised to give leadership through a year that already promised to be challenging. With a general con-ference on the horizon, the imminent retirement of Bishop Dyck, and the unfolding work toward the strategic goals, the ACST had the opportunity to promote the vision and provide stability to the annual conference.

The pandemic delayed the general conference, upended the routine rota-tion of bishops and introduced a new set of challenges. Since the submis-sion of the last historic report on April 1, 2020, the ACST has been able to remain faithful to its commitment to build community by transitioning from in-person meetings to a Zoom platform. The strategic goals of making disciples, working against racism and creating vital congregations remain the core focus for the ACST. Despite the challenges of the pandemic, much has been accomplished, and the leadership of the conference celebrates the strides being made by the Task Forces and those who have dedicated countless hours to the efforts. Reports on the progress toward the strategic goals are found elsewhere in the 2021 historic reports.

We are grateful for the early guidance of consultant Helen Chang, member at Urban Village UMC, who served as our organizational consultant during the first two years of this work. Helen concluded her service with us in the summer of 2020. Amania Drane continues to offer excellent leadership as the project manager for the Anti-Racism and Discipleship goals and Rev. Arlene Christopherson offers staff support to the work of vital congregations.

The ACST continues to provide a common table where information and concerns can be addressed across administrative and programmatic lines. To further align the work of the Task Force with the District Shepherding Teams and local churches, a Steering Committee was formed in summer 2020 with the mission of eliminating barriers and measuring progress toward the three strategic goals. In November 2020, the ACST convened a meeting of the Task Forces and the District Shepherding Teams at which the DSTs were able to brainstorm about pursuing the strategic goals in their own contexts.

Through 2020 and into 2021, the ACST has collaborated with the Conference Council on Finance and Administration (CCFA) and Program Ministries in aligning the budget to enhance conference goals. The ACST received periodic updates and information concerning conference and local church finances, and joins in celebrating the wise and prudent financial management of the CCFA.

In fall 2020, the ACST formed an organizational task force to address the realignment of program areas in the conference. This work has resulted in a resolution to the 2021 session seeking to update the standing rules around program areas. Members of this task force include Mark Manzi, Deborah Dangerfield, Arnold Rivera, Mary Rawlinson, Meg Park, Laura Underwood, Nancy Pendergrass and Arlene Christopherson.

The ACST also served as a foundation for the orientation of our interim bishop, Bishop John Hopkins, as he began his assignment with us in January 2021. Bishop Hopkins brings new insight and vision to the work of this common table and is a welcome partner. Our work is enhanced with the partnership of the Cabinet, Director of Connectional Ministries, Director of Congregational Development, Director of Communications and conference communications staff.

Our prayer is that this unprecedented year of adversity has seasoned us for the opportunities that lay ahead. With God's grace our mission continues.

In Christ Service,

INDEPENDENT AUDITOR'S REPORT

Conference Council on Finance and Administration
Northern Illinois Annual Conference of the United Methodist Church
Chicago, Illinois

We have audited the accompanying consolidated financial statements of Northern Illinois Annual Conference of the United Methodist Church (the Conference), which comprise the consolidated statement of financial position as of December 31, 2020 and 2019, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Conference's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Conference's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

AUDIT

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects the consolidated financial position of the Northern Illinois Annual Conference of the United Methodist Church at December 31, 2020 and 2019, and the changes in their net assets and their cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 2 of the financial statements, the Conference adopted new accounting guidance as issued by the Financial Accounting Standards Board (FASB) under Accounting Standards Update ASU No. 2014-09, *Revenue from Contracts with Customers.* Our opinion is not modified with respect to this matter.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

December 31, 2020 and 2019

---

1. **NATURE OF ACTIVITIES**

    The accompanying consolidated financial statements include the accounts of the Northern Illinois Annual Conference of the United Methodist Church, the Northern Illinois Conference United Methodist Church Insurance Association, and the Red Door Fund, NFP (collectively, the Conference). All significant intercompany balances and transactions have been eliminated in consolidation.

    The Northern Illinois Annual Conference of the United Methodist Church is an incorporated nonprofit organization, which represents United Methodist congregations located in the northern third of the State of Illinois. The Conference was organized for Christian, religious, church, benevolent, and charitable purposes. The Conference operates two camps, Reynoldswood and Wesley Woods that are open year round to host program retreats for churches and other youth groups. The financial aspects of the Conference are governed by the Conference Council on Finance and Administration (the Council); a board elected by the Conference membership. The function of the Council is to develop, maintain, and administer the fiscal and administrative policies, procedures, and management services for the Conference.

    The Northern Illinois Conference United Methodist Church Insurance Association (NICUM) is a related nonprofit organization brokering property insurance for the Conference's member churches. The NICUM Conference Council is elected by the Conference trustees.

    The Red Door Fund, NFP was incorporated with a Conference Council selected by the Conference's Council and the Conference's Trustees. The Red Door Fund, NFP holds mortgage notes receivable from the Conference's local churches funded by a note to Wintrust Bank. The note is secured by mortgages on the Conference's property and pledges of the Conference investment accounts.

    Numerous United Methodist and United Methodist related organizations which have some affiliation with the Conference are not reflected in these consolidated financial statements. These organizations are separate legal entities and are governed by their own Boards of Directors.

    A summary of the Conference's program services are described below:

    Cabinet Support - Consists of conference leadership in charge of providing support, setting rules and guidelines, and helping reach financial and membership goals for local churches throughout the Conference.

Martin Keagy Rural Ministry - Fund setup to support rural ministries throughout the Conference.

Outdoor and Retreat Ministries - Operates as both an NIC camp that provides summer camp for youth and young adults throughout northern Illinois and an area for various committees and groups to use to further the faith.

Ministerial Education Activities - Continuing education and seminary scholarships awarded by the Board of Ordained Ministry to Northern Illinois clergy in accordance with Book of Discipline provisions for the Ministerial Education Fund.

Board of Pension Activities - Health, pension, and disability programs for enrolled active and retired clergy of the Conference.

NICUM Insurance Activities - Related corporation contracting for group property and liability insurance which is extended to participating NIC churches at a premium.

2.   **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

General Basis of Accounting

The consolidated financial statements of the Conference have been prepared on the accrual basis of accounting. Revenues are recognized when earned and expenses are recognized when incurred.

Cash and Cash Equivalents

Cash and cash equivalents consist of highly liquid investments with an initial maturity of three months or less when acquired. The Conference maintains its cash in bank deposit accounts at financial institutions. The balances, at times, may exceed federally insured limits. The amount of uninsured cash amounted to $4,157,413 and $2,015,602 as of December 31, 2020 and 2019, respectively. The Conference has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash.

2. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

Accounts Receivable

Accounts receivable from churches are stated at the amount billed to member churches. Accounts receivable - other are primarily due from churches and are stated at the amount invoiced. The Conference provides an allowance for doubtful accounts, which is equal to all amounts over 365 days past due.

Notes Receivable

Notes receivable are carried at the outstanding principal balance plus accrued interest receivable. Interest income is recognized monthly and continues to accrue over the life of the loan. The allowance for credit losses is estimated based upon historical losses and existing economic conditions. Notes receivable are considered past due after three consecutive monthly principal payments are missed. Notes receivable are evaluated for impairment based upon payment history, economic conditions, and communications between management of the Conference and the debtors. Interest continues to accrue on impaired loans, with cash receipts being recorded first to interest, then to principal. Uncollectible notes receivable are charged off when management determines that all reasonable collection efforts have been exhausted.

Investments

Money market funds and certificates of deposit are stated at cost. Investments in mutual fund securities are reported at their fair values in the consolidated statement of financial position. Pooled investment funds are valued using an estimated net asset value (NAV). Investment return is reported net in the consolidated statement of activities and consists of interest and dividend income, realized and unrealized gains and losses, less external and direct internal investment expenses. Investment return is reflected in the consolidated statement of activities as income without donor restrictions, or income with donor restrictions based upon the existence and nature of any donor restrictions.

Beneficial Interest in Real Estate

The Conference received a beneficial interest in real estate, which is considered another investment. The beneficial interest was initially valued at fair value on the date the real estate interest was contributed, and is subsequently valued at fair value. The donor is responsible for executory costs of the real estate during the donor's lifetime, and the residence cannot be sold during the donor's lifetime. No obligation has been recorded for the donor's use of the real estate during the donor's lifetime as the amount is immaterial.

2.   **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

Property and Equipment

Conference policy requires that all furniture and equipment over $1,500 be capitalized. Depreciation for equipment, furniture, and fixtures is computed using the straight-line method over five to seven years. Buildings and leasehold improvements are depreciated over 30 years using the straight-line method of depreciation. Motor vehicle are depreciated over five years using the straight-line method of depreciation. Property and equipment is recorded at cost, if purchased, or at fair value on the date of gift, if received as a contribution.

Property Held for Sale

Accounting principles generally accepted in the United States of America (USGAAP) requires that long-lived assets to be sold be classified as "held for sale" in the period in which certain criteria are met, such as the estimated timeframe in which the assets are expected to be sold. As a result, depreciation is not recorded on an asset deemed to be held for sale, and it is recorded in the financial statements at the lower of its carrying value or fair value less cost to sell.

Net Assets

The accompanying consolidated financial statements have been prepared to present balances and transactions according to the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified as follows:

Net Assets Without Donor Restrictions - Net assets available for use in general operations and not subject to donor restrictions. From net assets without donor restrictions, the Conference Council on Finance and Administration has created designations or a quasi-endowment.

Net Assets With Donor Restrictions - Net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity.

Income Taxes

The Conference is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and a similar provision of state law. The Conference is not classified as a private foundation.

2.   **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

Fair Value Measurements

USGAAP establishes a framework for measuring fair value. That framework uses a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. USGAAP requires the Conference to maximize the use of observable inputs when measuring fair value. The hierarchy describes three levels of inputs, which are as follows:

Level 1:   Quoted prices in active markets for identical assets or liabilities.

Level 2:   Quoted prices for similar assets or liabilities in active markets; quoted prices for identical assets or liabilities in inactive markets; or inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3:   Significant unobservable inputs.

In many cases, a valuation technique used to measure fair value includes inputs from more than one level of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy. The categorization of an investment within the hierarchy reflects the relative ability to observe the fair value measure and does not necessarily correspond to the perceived risk of that investment.

If an investment that is measured using net asset value (NAV) has a readily determinable fair value (that is, it can be traded at the measurement date at its published NAV), it is included in Level 1 of the hierarchy. Otherwise, investments measured using NAVs are not included in Level 1, 2, or 3, but are separately reported.

Valuation Techniques

The following is a description of the valuation techniques used for assets measured at fair value on a recurring basis. There have been no changes to the techniques used during the years ended December 31, 2020 and 2019.

Mutual funds: Valued at the closing quoted price in an active market.

Pooled investments: Valued at NAV, as reported by the fund managers. These funds do not trade in active markets. However, generally the unit price is based on quoted market prices of the underlying assets owned, divided by the number of outstanding units.

Interest rate swap: Pricing models utilize a series of market inputs to determine the present value of future cash flows, with adjustments, as required for credit and liquidity risk.

Beneficial interest in real estate: Valued by appraisal every five years, and during interim years, valued by adjusting the previous appraisal by an index for this type of real estate.

2.   **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

Use of Estimates

The preparation of financial statements in conformity with USGAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Apportionments

Apportionments represent each member church's contributions to support ordained leaders, mission and evangelism, and reconnecting the connection. Apportionments revenue is recognized in the period the contributions are received.

Contributions

Gifts of cash and other assets received without donor stipulations are reported as revenue and net assets without donor restrictions. Gifts received with a donor stipulation that limits their use are reported as restricted revenue and net assets with donor restrictions. When a donor stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the consolidated statement of activities as net assets released from restrictions.

Gifts of land, buildings, equipment, and other long-lived assets are reported as revenue and net assets without donor restrictions unless explicit donor stipulations specify how such assets must be used, in which case the gifts are reported as restricted revenue and net assets with donor restrictions. Absent explicit donor stipulations for the time long-lived assets must be held, expirations of restrictions resulting in reclassification of net assets with donor restrictions as net assets without donor restrictions are reported when the long-lived assets are placed in service.

Donated Property

Property from closed churches within the Northern Illinois Methodist Church Conference is donated to the Conference per their bylaws and reported at the estimated fair value.

Revenue Recognition

The Conference recognizes revenue from exchange transaction in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Update (ASU) No. 2014-09. *Revenue from Contracts with Customers*, as amended. ASU No. 2014-09 applies to exchange transactions with customers that are bound by contracts or similar arrangements and establishes a performance obligation approach to revenue recognition. The Conference records the following exchange transaction revenue in its consolidated statements of activities for the years ended December 31, 2020 and 2019:

Revenue Recognition (Continued)

Property insurance revenue: The Conference provides general liability and property insurance to the churches. The Conference enters into a group policy for all necessary coverages, and then allocates the costs of the packages to all participating local churches in a manner which seeks to replicate costs to the group covering that specific local church. The churches are billed on a quarterly basis and based on an allocation of the Conference's costs. The bills are sent at the beginning of the quarter in which the coverage relates to and are due by the end of that period. Revenue is recognized over time as the churches simultaneously receive and consume the services provided by the Conference. No advance and deposits (contract liabilities) were received prior to year end.

Health insurance and pension revenue: The Conference rules require all clergy enroll in health and pension benefits that local churches support. The performance obligation is providing health and clergy pensions for churches within the Conference. The health insurance billings are determined based on the number of covered individuals, category of employment for covered individuals, and the type of coverage. The pension billings are determined based on the compensation of each clergy person appointed to the local church (16% of compensation). As part of the monthly billings, the Conference records the revenue and related receivable. The bills are sent at the beginning of the month in which the coverage/service is provided and due by the end of the same month for pension and health benefits. Revenue is recognized over time as performance obligations are satisfied. No advance and deposits (contract liabilities) were received prior to year-end.

Other-Camp Fees: Churches reserve the camps owned by the Conference's Outdoor and Retreat Ministries (ORM) to be used for retreats. ORM sells merchandise and provides lodging, food, and general programs at the camp. ORM provides the paying churches with the camp to use along with the food and supplies necessary. The price is the cost to rent the camp along with the costs of food and supplies used. Reservations from churches for the camps are done up a year in advance and include a refundable deposit component. Revenue related to the programs at the camp and food services are recognized over the passage of time for the programs. Revenue for the merchandise is recognized at the point in time when control transfers to the customer, which is at the point of sale.

Significant Judgments

There are no significant judgments involved the recognition of revenue due to the passage of time and delivery of services.

Functional Allocation of Expenses

The costs of supporting the various programs and other activities have been summarized on a functional basis in the statement of activities. Indirect expenses related to rent, depreciation, and utilities have been allocated among the categories based on square footage used by each department. Other indirect expenses such as postage, printing and office supplies have been allocated 25% to the categories and 75% to administration based on time and effort.

New Accounting Pronouncements

In May 2014, FASB issued ASU No. 2014-09, *Revenue from Contracts with Customers*, as amended by ASU No. 2015-14, which supersedes or replaces nearly all revenue recognition guidance under USGAAP. This standard establishes a new contract and control-based revenue recognition model, changes the basis for deciding when revenue is recognized over time or at a point in time, and will expand disclosures about revenue. ASU No. 2014-09, as amended by ASU No. 2020-05, is effective for nonpublic entities for fiscal years beginning after December 15, 2019 and interim periods within fiscal years beginning after December 15, 2020. The Conference has implemented this standard on the modified retrospective basis for the year ended December 31, 2020. There was no material difference between revenue recognition under the new standard and revenue recognition under legacy USGAAP.

In February 2016, FASB issued ASU No. 2016-02, *Leases (Topic 842)*, to increase the transparency and comparability about leases among entities. The new guidance requires lessees to recognize a lease liability and a corresponding lease asset for virtually all lease contracts and requires additional disclosures about leasing arrangements. ASU No. 2016-02, as amended by ASU No. 2020-05, is effective for nonpublic entities for fiscal years beginning after December 15, 2021 and interim periods within fiscal years beginning after December 15, 2022. ASU No. 2016-02 originally specified a modified retrospective transition method which requires the entity to initially apply the new leases standard at the beginning of the earliest period presented in the financial statements. In July 2018, FASB issued ASU No. 2018-11, *Leases (Topic 842): Targeted Improvements*, providing a second, optional transition method which allows the entity to apply the new standard at the adoption date and recognize a cumulative-effect adjustment to the opening balance of net assets in the period of adoption. The Conference is currently assessing the impacts of this new standard, including the two optional transition methods.

    New Accounting Pronouncements (Continued)

    In September 2020, FASB issued ASU No. 2020-07, *Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets (Topic 958)*, to increase the transparency of contributed nonfinancial assets for not-for-profit entities through enhancements to presentation and disclosure. A not-for-profit will be required to present contributed nonfinancial assets as a separate line item in the statement of activities, apart from contributions of cash or other financial assets. The standard also requires a not-for-profit to disclose contributed nonfinancial assets recognized within the statement of activities, disaggregated by category that depicts the type of nonfinancial assets. For each category of contributed nonfinancial assets recognized, the standard requires a not-for-profit to disclose additional qualitative information and policies regarding monetization or utilization of contributed nonfinancial assets; information about any donor-imposed restrictions; valuation techniques and inputs; and the principal market (or most advantageous market) used to arrive at a fair value measure if it is a market in which the recipient not-for-profit is prohibited by a donor-imposed restriction from selling or using the contributed nonfinancial assets. ASU No. 2020-07, is effective for fiscal years beginning after June 15, 2021 with early adoption permitted. The Conference is currently assessing the impacts of this new standard.

3. **LIQUIDITY AND AVAILABILITY**

    The Conference strives to maintain liquid financial assets sufficient to cover 90 days of general expenditures.

    The following table reflects the Conference's financial assets as of December 31, 2020 and 2019, reduced by amounts that are not available to meet general expenditures within one year of the consolidated statement of financial position date due to external donor restrictions and internal board designations. Amounts not available include board-designated endowments that have been set aside for various purposes. In the event the need arises to utilize the board-designated funds for liquidity purposes, the reserves could be drawn upon through board resolution, and these funds would become available for operational needs.

However, as discussed in Note 7, substantially all the Conference's financial assets are pledged as collateral under its mortgage payable.

4.   **NOTES RECEIVABLE**

The Conference loans funds to churches over terms between 7 and 30 years with interest rates ranging from 4.6% to 6.0%. The purpose of these loans is to provide church mortgages on more favorable terms. Additionally, the Conference has two notes receivable to unrelated parties with a balance of $469,703 at December 31, 2020. At December 31, 2019, the Conference had one note receivable to unrelated parties with a balance of $66,659.

8.   **DERIVATIVE FINANCIAL INSTRUMENT - INTEREST RATE SWAP**

Effective May 18, 2018, the Conference entered into an interest rate swap agreement with a financial institution, with a notional amount of $7,000,000. The purpose of the agreement is to minimize the variability of cash flows related to interest payments on the term loan above. The agreement terminates on May 18, 2028. The agreements are recorded at fair value with subsequent changes in fair value included in other revenues or expenses.

8.   **DERIVATIVE FINANCIAL INSTRUMENT - INTEREST RATE SWAP (Continued)**

The fair value of the liability for the Conference's interest rate swap agreements is measured using Level 2 inputs, as described in Note 2, determined by pricing models maintained by the counterparty to the swap agreements. The pricing models utilize a series of market inputs to determine the present value of future cash flows, with adjustments, as required for credit and liquidity risk. The change in fair market value of the interest rate swap agreement was recorded as an unrealized loss of $194,602 for the year ended December 31, 2020 and an unrealized loss of $342,611 for the year ended December 31, 2019.

9.   **GUARANTEED LOANS**

The Conference is contingently liable for guarantees of a loan made by the United Methodist Development Corporation to member churches totaling $494,391 as of December 31, 2020. The loan has an interest rate of 4.75% and a maturity date of December 1, 2034. Under the terms of the guarantee, the Conference is required to have in reserve a minimum of three months of loan payments for the guaranteed loan. The amount of the required reserve at December 31, 2020 and 2019 is $5,952 and $29,079, respectively.

Under the agreements with the member church, the Conference is able to recover any losses from the assets of the member churches

In relation to these guarantees, the following is summarized unaudited financial data for the member church as of December 31, 2020 and 2019:

10. **PAYCHECK PROTECTION PROGRAM**

Other revenue reported on the statement of activities consists of loan proceeds in the amount of $1,009,627 under the Paycheck Protection Program (PPP) received April 12, 2020. The PPP, established as part of the Coronavirus Aid, Relief and Economic Security Act (CARES Act), and as amended by the Paycheck Protection Program Flexibility Act of 2020 (the PPP Flexibility Act), provides for loans to qualifying businesses for amounts up to 2.5 times of the average monthly payroll expenses of the qualifying business. The loans and accrued interest are forgivable as long as the borrower uses the loan proceeds during the covered period for eligible purposes, including payroll, benefits, rent and utilities, spends a minimum amount of the loan proceeds for payroll costs, and maintains its payroll levels. Up to 100% of a loan is forgiven. The forgiveness amount will be reduced if the organization terminates employees or reduces salaries during the covered period. The unforgiven portion of PPP loans issued under the CARES Act is payable over two years at an interest rate of 1%, with a deferral of payments for the first six months.

Accordingly, the Conference has recorded the forgiveness in accordance with guidance for conditional contributions when there is no longer a measurable performance or other barrier and a right to return of the PPP loan or when such conditions are explicitly waived. The Conference has interpreted the conditions of the grant to be the incurrence of eligible expenditures, adjusted for any decrease in full time equivalents and or salary/wage limitations, during a covered period of eight weeks and the submission of the forgiveness application, at which time the Conference will recognize as revenue the amount expected to be forgiven per the application.

As of December 31, 2020, the Conference had satisfied the conditions of the grant and recognized the revenue as other revenue in the consolidated statements of activities and changes in net assets. The loan forgiveness application was formally approved during 2020.

11. **BOARD-DESIGNATED NET ASSETS**

TOTAL NET ASSETS		
WITH DONOR RESTRICTIONS	$ 1,747,279	$ 1,648,493

13. **ENDOWMENT**

The Conference's endowment consists of an individual fund established by donors to provide annual funding to support country parishes. The endowment also includes certain net assets without donor restrictions that have been designated for endowment by the Conference Council. As required by USGAAP, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

The Conference Council has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the historic dollar value of the original gift as of the gift date of the donor-restricted endowment funds, absent explicit donor stipulations to the contrary. As a result of this interpretation, the Conference classifies as net assets with donor restrictions and retains in perpetuity (a) the original value of gifts donated to the endowment, (b) the original value of subsequent gifts to the endowment, and (c) accumulations to the endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund is classified as net assets with donor restrictions until those amounts are appropriated for expenditure by the Conference in a manner consistent with the standard of prudence prescribed by UPMIFA.

13. ENDOWMENT (Continued)

The Conference has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. The endowment assets are invested in accordance with predetermined asset allocation and performance benchmarks. To satisfy its long-term rate-of-return objectives, the Conference relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Conference's spending policy provides that only the income from endowments may be used according to donor-imposed restrictions. The Conference considers a fund to be "underwater" if the fair value of the fund is less than the sum of (a) original value of initial and subsequent gift amounts donated to the fund and (b) any accumulations to the fund that are required to be maintained in perpetuity in accordance with the direction of the applicable donor gift instrument. The Conference has adopted a policy to not spend from "underwater" endowments unless directed otherwise by the donor.

15.   **POSTRETIREMENT HEALTH PLAN**

The Conference sponsors a postretirement health care plan for all Conference employees and participating clergy that meet eligibility requirements.

During the years ended 2020 and 2019, total health benefits owed at year end were $968,541 and $964,254, respectively.

The Conference received actuarial valuations of postretirement medical benefits as of December 31, 2020. This report was prepared by MWM Consulting Group.

The Conference establishes Health Reimbursement Accounts (HRA) and tax free savings accounts for each clergy family (whether individual or couple). Retirees and spouses may draw funds from the accounts for health premiums, out-of-pocket expenses, and miscellaneous health care expenses. The HRAs are funded annually by the Conference at the rate of $100 per year of service (up to 40 years); an equal amount for the clergy person and the spouse. Retirees may select the Medicare supplement plan of their choice.

The payments per retiree are fixed amounts; therefore, changes in inflation assumptions do not change the valuation. The valuation is calculated at a 2.5% discount rate and assumes 100% of eligible retirees and spouses will participate.

The following sets forth the plan's funded status reconciled with the obligation recognized on the consolidated statement of financial position at December 31, 2020 and 2019:

Accumulated postretirement benefit obligation as of December 31, 2020 and 2019 was as follows:

17.   **PENSION PLAN**

The Northern Illinois Annual Conference of the United Methodist Church participates in the multi-employer defined benefit program of all U.S. annual conferences managed by the Wespath and controlled by plan documents enacted by the quadrennial General Conference of the UMC. Assets contributed by any conference may be used to provide benefits to clergy of any participating conference. Should an annual conference make contributions less than the total liability of their participants the underfunded obligations are borne by the surviving annual conferences. A decision to withdraw from the plans is in violation of The Discipline (by-laws of the church) and would cause an immediate suspension to the benefits of the Conference's clergy. Across all plans and all employees, the liabilities are funded at approximately 108%.

While there is a single fund for funding the defined benefits of retirees for all annual conferences, the method to calculate the value of benefits earned varies by year of service: before 1982, between 1982 and 2006, and after 2006. Each annual conference contributes according to the actuarial present value of benefits earned by clergy for service during those periods. The administrator of the plan, Wespath, annually calculates liabilities and expected contributions for each annual conference based upon demographic and market changes relative to previous year's reports.

The 2020 contribution for defined benefit plans is calculated from the demographics and assets on January 1, 2018. In the pre-82 plan, there are 572 beneficiaries, 39 are not yet retired. In the Ministerial Pension Plan (MPP) program there are 922 annuitants, 397 not yet in pay status. As of January 1, 2018, in the Clergy Retirement Security Program defined benefit component (CRSP-DB) there are 571 vested participants, 139 are in pay status.

Unless otherwise noted, the most recent pension protection act zone status available in 2020 is for the plans' year end at January 1, 2019. The zone status is based on information that the Conference received from the plans' and is certified by the plans' actuary. Among other factors, plans in the red zone are less than 65% funded, plans in the yellow zone are between 65%-80% funded, and plans in the green zone are more than 80% funded. The FIP/RP Status Pending/Implemented column indicates plans for which a financial improvement plan (FIP) or rehabilitation plan (RP) is either pending or has been implemented.

The funding status of the Conference's share in the multi-employer defined benefit plans for the 2020 funding year (January 1, 2019 results) was as follows:

Actuarial value of plan assets	
Pre-82 plan	$ 40,510,523

NORTHERN ILLINOIS ANNUAL CONFERENCE
 OF THE UNITED METHODIST CHURCH
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

18. **RELATED PARTY TRANSACTIONS**

The United Methodist Foundation of Northern Illinois Conference, Inc. (the Foundation) is an Illinois not-for-profit corporation whose purpose is to give financial assistance and to provide investment management and administrative services to churches and religious, charitable, and educational philanthropies and institutions related to, or affiliated with the Conference.

The Conference advances a certain portion of the Foundation's operating costs and is subsequently reimbursed by the Foundation. The amount due from the Foundation at December 31, 2020 and 2019 was $4,263 and $4,141, respectively.

Additionally, approximately 98% of all receivables are due from related parties, including member churches, in 2020 and 2019 and approximately 71% and 67% of revenue is received from related parties, including member churches in 2020 and 2019, respectively.

19. **SUBSEQUENT EVENTS**

Beginning around March 2020, the Covid-19 virus has been declared a global pandemic as it continues to spread rapidly. Business continuity, including supply chains and consumer demand across a broad range industries and countries could be severely impacted for month or beyond as governments and their citizens take significant and unprecedented measures to mitigate the consequences of the pandemic. Management is carefully monitoring the situation and evaluating its options during this time. No adjustments have been made to these consolidated financial statements as a result of this uncertainty.

Subsequent to year end, the Conference applied for and was approved a $1,810,287 loan under the Paycheck Protection Program created as part of the relief efforts related to Covid-19 and administered by the Small Business Administration. The loan accrues intertest at 1% and has a maturity date of five years from date of approval. The Church is eligible for loan forgiveness of up to 100% of the loan, upon meeting certain requirements. The loan is uncollateralized and is fully guaranteed by the Federal government.

The Conference has evaluated subsequent events through July 10, 2021, which was the date that these consolidated financial statements were available for issuance.

Resolution passed in:							
2016 for FY 2017	$34,340						
2017 for FY 2018	$34,684	$34,542					
2018 for FY 2019	$35,031	$34,887	$34,795

2020 for FY 2021	$36,734	$36,437	$36,341	$36,346	$36,360		
Proposed in 2021 for FY 2022	$36,734	$36,437	$36,360	$36,360	$36,360	$36,360	

Chart interpretation: Each year, a minimum salary is set for new appointments. This salary amount is listed in the first row, beneath the year the new appointment is made (which typically begins July 1.) A minimum salary is also set for appointments made in previous years. The number listed in the column beneath each year indicates the minimum salary for the pastor appointed to that charge each fiscal year (which typically begins January 1.) Bold, italicized numbers listed in the bottom row are the minimum salaries recommended to the Annual Conference in 2021.

1) Local churches are to provide a minimum of $5,000 for accountable reimbursements for their appointed pastor. This covers costs related to travel, continuing education, and other expenses incurred in the course of providing pastoral ministry. Information regarding accountable reimbursements can be downloaded at: https://www.umcnic.org/media/files/ordained%20ministry/AccountableReimbursementPoliciesQ_and_A.

RATIONALE:

This minimum salary schedule is an increase of 0% to reflect the following:

In 2019, CCFA committed to "recommend minimum salaries that move the NIC closer to our Jurisdictional average [in 2020]." While the NIC's minimum salary has been lower than the jurisdictional average, we continue to provide significant coverage for health benefits beyond what is provided in other conferences. When subtracting the contribution by clergy for their health coverage costs from clergy salary, NIC was approximately 2% below the mean salary for the jurisdiction. In 2020, the minimum salary for full-time clergy was increased by 3%, moving us closer to the average of the jurisdiction.

We recognize the desire to maintain the number of full-time clergy positions to match the number of full-time appointments guaranteed to Commissioned and Ordained Elders. This is increasingly becoming unstainable when we are losing an average of 5 full-time appointments every year.

We also recognize that many local churches struggle to afford full-time clergy appointments. Many of our churches have experienced losses, both in attendance and finances, as a result of 2019 Special Session of General Conference. In 2020 and 2021, the global pandemic has created increased financial hardship for many of our struggling churches. As a result, many local churches have been unable to give pay increases to their pastors and staff at this time. Given the current financial hardship and overall current economic conditions and uncertainty, CCFA recommends a 0% increase in the minimum salary for 2022.

The Conference Board of Pensions and Health Benefits, partnering with Wespath recommends the following policies for clergy and other eligible participants enrolled in welfare, health and pension benefits.

I. Health Insurance

The Conference Board of Pensions recommends that the Annual Conference establish the following policies and procedures for administration of

the Conference Health Care Program, effective January 1, 2022.

A. Mandatory Coverage

1. The following categories of employees are mandated to participate in the Annual Conference health insurance program. In all cases, the spouses, and dependents (such as children) of eligible employees may enroll in the health plan at the election of the participant.

Category	Discipline 2016
Elder in full connection (including those from another Methodist denomination and those from another conference) appointed to full-time or service to a conference local church or campus ministry	338.1, 346.1, .2, &,.3
Associate member appointed to full-time service	321
Provisional Members on elder track appointed to full-time local church service	326.2
A full-time local pastor who is under Episcopal appointment to a charge located in the conference	318.1

2. Elders appointed to disability status prior to 65 will be covered under the conference plan until they are eligible for Medicare or for Social Security disability at the cost of the Conference Board of Pensions and Health Benefits. At age 65 and they have maintained their Supplemental Insurance through Via Benefits they, from a premium payment standpoint, will be treated as retired pastors and subject to the HRA guidelines explained in Section D of this Resolution.

B. Release from Mandatory Coverage – THE PILOT PROGRAM

Based on the implementation of the Affordable Care Act and the ability for individuals to gain coverage on the public exchange, churches can elect to opt out of the Wespath/NIC mandated health programs (HealthFlex).

To elect this option the Churches agree to the following:

1. Agree to pay the monthly HealthCare premium established by the Conference Board of Pensions.
2. Each quarter the Churches will receive a rebate of one month's premium of the HealthCare premium.
3. The maximum amount the Conference Board of Pensions will provide in cash is ($1,000) per month to support clergy to engage a health carrier on the exchange and to help pay for additional personal taxes. The amount provided by the Conference is considered as taxable cash compensation.
4. If Churches fail to make premium payments the Conference holds the right to discontinue the cash support provided to the Pastors.

The objective of allowing Churches to opt out of HealthFlex is to provide a

means to help Churches lower the cost of medical insurance and be able to maintain the promised medical benefit to NIC pastors.

The Conference Board of Pensions can also release a clergy person from mandatory participation in HealthFlex at its discretion when:

a. The clergy person is eligible for health coverage through TRICARE, or Champus.
b. The clergy is enrolled in coverage from a former employer or as a dependent on a   spouse's employer-provided coverage. The Conference will treat the participant as if they were enrolled in the pilot program and bill the church as explained above (Section B).

C. Local Church and Extension Ministry Coverage Options

1. A local church or extension ministry may elect health insurance in the conference plan available to participants in the following categories who meet the required eligibility criteria:

Category	Discipline 2016	Premium Billed to
Ordained elder appointed to extension ministries within the connectional structure (other than a unit of the conference or general agency), within an ecumenical agency, within a GBHEM endorsed extension ministry or within a special ministry outside the connectional structure	344.1a(3), 344.1a(4), 344.1b, 344.1d	Salary Paying Unit
Ordained clergy from another denomination (other than UMC) appointed to half-time or more service to a Conference local church or a unit of the Conference	346.2, 346.3, 338.2, 346.1	Salary Paying Unit
Provisional, Associate or full clergy member granted voluntary leave of absence not to exceed 1 year	354.1 354.2	Participant
Clergy member of the Annual Conference granted Sabbatical Leave for up to one year.	352	Board of Ordained Ministry
Clergy member of the Annual Conference granted medical leave. Premium Paid by Conference for One Year	357	Board of Pensions
Deacon in full connection appointed to full-time basis in a conference local church, beyond the local church, or UMC related agencies and schools.	331.1a, 331.1b	Salary Paying Unit
A Provisional member on the Deacon track appointed to serve on a full time basis to an NIC congregation or to the conference.	326.1	Salary Paying Unit

75% of eligible Lay Employees of a local church in the conference normally scheduled to work at least 30 hours per week inclusive of a calendar year		Salary Paying Unit

2. In accord with Illinois law, state recognized civil union partners of lay employees are eligible for coverage in a manner similar to spouses.
3. The option to offer coverage is made by the salary paying unit. The choice to accept the coverage shall be made by the participant. The salary paying unit may elect to offer health insurance to one or all categories of persons listed above in Section C. 1. The salary paying unit must make health insurance available to and will be billed for all persons within any specific category employed with the agency or local church.
4. Each salary paying unit must execute annually a sub-adoption agreement with the annual conference, should they desire to offer health coverage to persons in these categories.
5. These categories of persons are also eligible for coverage:

Category	Billed for Active's Premium
Surviving spouse or dependent children enrolled in the health plan at time of a participant's death	Participants pay 25%, Salary Paying Unit (or Board of Pensions) 75%
Divorced spouse enrolled in the plan at time of divorce for 2 years or in accordance with State and Federal law or court order	Divorced Spouse

D. Retirement Health Administration –

1. Clergy persons eligible for and enrolled in the health plan or participating in the pilot program or waived from mandatory coverage by virtue of being enrolled in their spouse's plan at Mandatory Retirement (Discipline paragraph 357.1), Early Retirement (Discipline paragraph 357.2b), Full Retirement (Discipline Paragraph 357.2c), or Involuntary Retirement (Discipline paragraph 357.3) are eligible for health benefits in retirement through the conference plan. No clergy member retiring under the "20 year rule" (Discipline paragraph 357.2a) is eligible for retiree health coverage.
2. A clergy spouse (or surviving spouse after death of an active member) enrolled in the health plan 5 consecutive years before retirement or enrolled when first eligible for coverage (and prior to participant's retirement) is eligible for coverage after retirement. The family status of the participant cannot change during retirement, except in cases of adoption, childbirth, or death. Participants electing to not participate in retirement health plan at time of retirement may not elect to enroll at a later time.
3. Upon retirement the annual conference shall establish a Health Reimbursement Account (HRA) for the household in the retiree's name. Participants and their spouses who meet the retiree eligibility rules under BOD 357.2 may use the funds in the HRA to pay for medical expenses including premiums, co-pays, deductibles,

dental services, medical services, coinsurance, etc. Like a savings account, the funds do not need to be expended by the end of the calendar year and balances roll forward when unused.

4. Annually, the annual conference will provide a benefit equal to $100 per year of ministerial service. This benefit also extends to the Pastor's spouse for the duration of their lifetime. This amount is subject to change based on the needs and circumstances of the Conference and/or participants.

5. This benefit is limited to a maximum of 40 years of service. 40 years of service would provide a benefit of $4,000 for both the pastor and their spouse.

6. Ministerial service years are determined by the Conference Board of Pensions and Health Benefits. Only years served in the Northern Illinois Conference are considered in the HRA calculation. Special exceptions may be made based on approval by NIC Board of Pensions. Any counting of service years earned by service to non-Northern Illinois Conference appointments recognized prior will not be recognized effective January 1, 2022.

7. The Conference at the discretion of their Board of Pension has the right to change or modify the retiree benefit and or contributions at any time.

8. Full Time Lay Conference employees of the annual conference with 5 continuous years of coverage before retirement will have a contribution equal to $100 per year of service to the annual conference deposited in their HRA annually. Eligibility for the HRA is contingent on a participant's enrollment in Medicare B and engagement with the Conference's selected provider.

9. The Conference Board of Pensions and Health Benefits engages Via Benefits to aid clergy retirees aged 65 and above in selection of suitable Medicare supplement coverage and to act as a patient advocate when necessary. To receive the HRA benefit eligible participants must enroll though the Via Benefits program and be enrolled in Medicare B. Clergy who retire prior to 65 and meet the eligibility rules to retire under BOD 357.2 will have the HRA equivalent deducted from the cost of their conference provided medical coverage until they reach Medicare eligibility, enroll in Medicare B and enroll in Supplemental programs through Via Benefits.

E. Active Health Administration

1. Monthly premiums are billed to each charge or salary-paying unit at rates established by the Conference Board of Pensions. Premiums are due the first of each month. Accounts 90 days in arrears are subject to termination as explained in the arrearage policy approved by the Board and the NIC Cabinet. This policy describes the efforts that will be made by the Conference office and the Cabinet to work with Churches that are more than 90 days in arrears. If all efforts to receive payment or develop a payment plan have been

exhausted, then termination of coverage may be the final option. Notification of accounts in arrears will be provided to the District Superintendent, the pastor, the local church PPRC chair, and the local church treasurer prior to termination.

2. If a participant enrolls in one of the HealthFlex Exchange programs that require a payroll deduction to the Conference and those deductions are not made the Conference can have the participant placed in a plan that does not require a payroll deduction.

3. Churches should care that tax reporting is correctly administered for all payroll deductions around health insurance provisions.

4. Active participants seeking to enroll in the Flexible Spending Account Benefit provided by the plan must enroll in November of the year preceding the year of the agreement. Inquiries on billings and enrollment should be directed to the Conference Benefits Administrator, Lameise Turner, at (312) 346-9766, ext. 720.

Problem resolution and inquiries regarding coverage should be directed to the HealthFlex Team at Wespath 1-800-851-2201.

II. Pension Programs

A. Clergy Retirement Security Program (CRSP) Eligibility. The General Conference of the United Methodist Church established the CRSP as the primary pension program for United Methodist clergy in 2007. Mandatory participation is required when both 1 and 2 are met:

1. The clergy member relationship to the conference is as a:
   a. Commissioned Members (Deacon or Elder)
   b. Elders in Full Connection
   c. Members of Other Conferences appointed in the Northern Illinois Conference (paragraph 346.1 appointments)
   d. Full Time Local Pastors
   e. Deacons in Full Connection
   f. Members of other denomination, appointed to service in an NIC local church if no other pension is provided by their denomination.
2. The clergy member is under Episcopal appointment half-time or more to the following service types:
   a. to local churches in the Northern Illinois Conference
   b. to the Conference (staff or Cabinet)
   c. to a Conference controlled entity
      (such as a campus ministry or ORM)
   d. to Incapacity leave with CPP benefits
3. In order to waive participation, a half-time or more appointed clergy member must sign a waiver form at time of appointment. Please note that persons assigned, but not appointed are not eligible in the program.

4. Local churches are encouraged to enroll as a plan sponsor of UMPIP and to make employer contributions into the accounts of clergy appointed quarter-time.

B. Clergy Retirement Security Program.

1. Comprehensive Protection Plan (CPP). The Comprehensive Protection Plan is the primary death and disability benefit for enrolled clergy. The billing rate for CPP will be established by the Conference office. Appointments with compensation less than full time and those that were considered under special arrangements will be covered and billed based on rates established by UMLifeOptions.

2. CRSP – Defined Contribution

    a. The CRSP pension program includes a defined contribution component. Each clergy member will have 2% of plan compensation deposited in an individual account at the Wespath. All contributions into the account are invested and the enrolled clergy member receives the appreciated value of the account upon retirement.

    b. Clergy persons are encouraged to contribute 1% of their plan compensation into their UMPIP account as a salary deduction. The annual conference will match the first 1% of UMPIP contributions paid into the participants CRSP-DC account.

    3. CRSP – Defined Benefit program. With the defined benefit component each enrolled clergy member will receive a monthly cash benefit from the plan upon retirement. The amount of the benefit is determined by the number of full-time-equivalent years in the program and the denominational average compensation at the time of retirement multiplied by 1.0%. Annual contributions made by the conference will be invested by Wespath so that the NIC obligation can be met. A portion of defined benefit funding accrues to a reserve fund for funding future variation in market results and other benefits to retirees and future retirees.

C. Billing Methods. The Annual Conference will invoice local churches monthly 16% (3% (CPP) + 3% (CRSP DC) + 10% (CRSP DB) based on clergy plan compensation required for support of the CRSP and CPP programs. Currently, churches are being billed 16% of clergy plan compensation. Increases may be necessary in the future.

D.Pre-82 Defined Benefit Past Service Rate for 2021

    1. The Conference Board of Pensions recommends that the annual pension rate for service prior to 1982, effective January 1, 2021, be $605 per service year, an increase of 0% from 2021. Surviving spouses shall be supported at the rate of 85% of participant pension benefit amounts. Special grants will be provided as identified in Section F.

E. Excludable Housing allowance for retired clergy. In accordance with the Private Ruling Letter from the Internal Revenue Service, the Northern Illinois Conference Annual Conference Session reaffirms the limits to housing allowance exclusion for retired and disabled clergy found in the Standing Rules, at Section IV. C. 1, which states: Disabled clergy have the same legal relationship to an Annual Conference as do the retired clergy and, thus, this Conference is

also the appropriate organization to designate a housing/rental allowance for disabled ordained or local pastors who are members of this Conference.

An amount equal to 100% of the pension payments received by a retired clergy, or 100% of the disability payments received by a disabled clergy, is designated as rental/housing allowance respectively for each retired or disabled ordained or local pastor of The United Methodist Church who is or was a member of the Northern Illinois Conference at the time of retirement or disability.

F. Special Grants
1   For the 2020 Northern Illinois Conference Session the Board of Pensions approved grants for participants meeting the following eligibility criteria:
   a.   Members of the Northern Illinois Annual Conference who retired from an appointment in the conference;
   b.   Who have at least 15 years of service prior to 1982 compensated at the Past Service Rate (excludes those at the DBSM rate); and,
   c.   Who have less than 10 years of service to Northern Illinois Conference appointments served while enrolled in the MPP program.
1.   For 1/1/2021 the amount provided to eligible participants will be $655 times their pre-82 years of service. This amount will remain in place until otherwise changed by the Board of Pensions
2.   The Conference Board of Pensions also recommends the special grant previously given to Vernon L. Bell be continued for his widow, Enid. Mr. Bell died March 17, 1995. He served 11 years as a full member of the Northern Illinois Conference from June 13, 1954, to August 15, 1965. He took voluntary Leave of Absence from 1965 and Honorable Location in 1966. The service rate at the time of his voluntary location was $77. Thus, we recommend for the year commencing July 1, 2020, to June 30 2021, a grant be paid to Mrs. Bell of $847, actuarially reduced in the same manner as if this grant was paid under the Methodist Ministers Reserve Pension Fund for payments commencing after early retirement date and prior to normal retirement date. Payments shall be paid monthly.
3.   The Conference Board of Pensions also recommends that a special grant be made to James W. French for his 3.5 years of service with this Annual Conference from June 1, 1978 through December 31, 1981. We recommend for the year commencing July 1, 2020 to June 30, 2021, a grant of $140.95 monthly be paid based on the present pension rate, but actuarially reduced since payments are starting prior to full retirement age.

III. Group Life Insurance
The Conference Board of Pensions enrolls in the UMLifeOptions program. Every eligible retired clergy person will be enrolled in the plan with

a benefit of $5,000 at no cost to the participant. Active clergy persons have $10,000 in coverage at the NIC expense when an application is filed during the open enrollment period. Coverage beyond this amount is at the cost of the participant and will be billed directly from UMLifeOptions.

Document: 680.02
Name: Because they Cared Initiative
Author: Conference Board of Pensions and Health Benefits
CCFA Comment: CCFA consents to creation of this conference-wide appeal

ACTION:

The Northern Illinois Conference establishes the "Because they Cared" fund where individuals and churches can make contributions in honor of clergy who have served meaningfully through the years. Funds collected will be used in support of the clergy retirement programs of the Conference. We authorize a conference-wide appeal for this initiative. This is a way for us to affirm and celebrate the service of clergy who have made an impact in our lives and churches. We honor their legacy through our commitment to support future clergy in retirement.

RATIONALE:

The first purpose of the "Because They Cared" initiative is to provide another source of funding for current and future clergy pensions and health benefits. CCFA has considered, referred, and consents to the Conference's consideration of this appeal.

This idea came as a result of considering the need for funding future pensions and health benefits for clergy currently serving. We have sufficient resources to provide for all currently retired clergy and those retiring in the near future. Our stewardship of pensions funds, in coordination with Wespath, has been both faithful and diligent. However, the pool of future retirees combined with the uncertainty of economic projections makes for something akin to a mortgage balloon payment coming due in the future. We have been brainstorming on ways to raise the funds needed to ensure that all current and future clergy are cared for under our covenant.

A secondary purpose is to recognize the contributions of past and current clergy in enriching our lives. Too often we take our dedicated and caring clergy for granted. Clergy morale is a problem in part because we hear the criticisms more powerfully than the affirmation. Most, if not all of us, can think of several clergy who offered the wisdom we needed, or the compassionate presence of God, or life-giving instruction. We need to share those stories. We can tell the stories and honor these clergy who have been special to us with contributions to fund future clergy pensions – with donations in their honor. Donations to the "Because They Cared" Initiative would be acknowledged with the person listed on an "Honor Roll of the Saints."

For a donation of $100, each of our saints would be listed on a website page. This initiative is a way to express deep appreciation for clergy members and demonstrate the conference's spirit of gratitude for the lives and witnesses that shape us.

CCFA Comment:

ACTION:

The Northern Illinois Conference of The United Methodist Church calls upon its clergy, lay leaders, and members to educate themselves about the plight of Palestinian children and families living Israeli military occupation.[1] We urge our members to consider the dangers of having U.S. funds used by Israeli authorities to detain, subject to torture, imprison Palestinian children in military detention, subject families to home evictions and demolitions, and to annex Palestinian property, when those acts are in violation of international law. We are encouraged and support our legislators who have drafted and cosponsored the Defending the Human Rights of Palestinian Children and Families Living Under Israeli Military Occupation Act, ("The Palestinian Children and Families Act,") (H.R 2590), which addresses these concerns. [2] The NIC urges clergy, lay leaders, and church members, on their own behalf, to write their Members of Congress to express these concerns regarding the treatment of Palestinian children arrested by Israeli forces in Occupied Palestine and to support efforts demanding immediate protections for Palestinian children and their families, and urge them to cosponsor H.R. 2590. We further request that the Northern Illinois Conference, through its secretary or her/his/their delegate, write to our members of Congress within the geographical area of this conference and respectfully inform them of this resolution and request that they speak up for the rights of children and families living under Israeli military occupation and consider supporting this Act.

RATIONALE:

https://www.hrw.org/report/2021/04/27/threshold-crossed/israeli-authorities-and-crimes-apartheid-and-persecution

2 *As of April 29, 2021, HR2590 has 17 cosponsors, including 4 Illinois Members of Congress here in the geographical area of NIC: Reps. Bobby Rush (1st Dist.), Marie Newman (3rd Dist.), Jesus "Chuy" Garcia (4th Dist.) and Danny Davis (7th Dist.). Over 100 human rights and faith-based organizations, including among others General Board of Church and Society, United Methodists for Kairos Response, National Council of Churches US, J Street, Jewish Voice of Peace Action, American Muslims for Palestine, Movement for Black Lives, which shows the growing support for human rights for Palestinians.*

Israel is the only country in the world that systematically prosecutes children in military courts. Each year approximately 700 Palestinian children enter the disturbing Israeli military detention system.[3] Children as young as twelve have been subjected to arrest, abuse, imprisonment. Children are often held for an extended time with no lawyer and without the presence or even the knowledge of their parents. [4] Israel operates under a policy that permits the seizure, appropriation, and destruction of Palestinian property and the forcible transfer of civilians in the Israeli controlled and occupied West Bank, in violation of international and humanitarian law. In 2020, Israel reportedly demolished or seized 851 structures across the West Bank and East Jerusalem, displacing over 1,000 people, including over 524 children. [5]

In addition, in 2020 Israel stated that its goal is to formally annex the West Bank to make way for more illegal settlements.[6] UN Human Rights Chief Michelle Bachelet decried this would not only seriously damage peace efforts, but would have a "disastrous impact on human rights of Palestinians."

In June 2017, the NIC passed "Advocating for the Rights of Children Living Under Israeli Military Occupation," because of grave concerns over the mistreatment of Palestinian children in military detention.[7] Legislation has been introduced and reintroduced in the U.S. Congress describing the crisis and seeking to prevent the U.S. from financing Israel's military detention, interrogation, abuse and ill-treatment of Palestinian children.[8]

On April 15, 2021, Rep. Betty McCollum (MN-4) introduced the Palestinian Children and Families Act, H.R. 2590, which "seeks to promote justice, equality and human rights for Palestinian children and families by prohibiting Israeli authorities from using U.S. taxpayer funds to detain and torture Palestinian children, demolish and seize Palestinian homes, and further annex Palestinian Land in the occupied West Bank," in violation of international law.

CCFA Comment: This legislation encourages support to
            a GBGM UMCOR fund and does not seek to use
            conference funding. As a result, it does not impact
            the conference budget or current spending.

ACTION:

The Northern Illinois Conference of The United Methodist Church calls upon its members to educate themselves about the plight of nations and all marginalized communities that have been hardest hit by the COVID 19 pandemic and who have the least resources to protect their populations. [9]

NIC urges clergy, lay leaders, and church members, to support our UMC organizations that have been reaching out in this pandemic. We know that the General Board of Global Ministries continues to respond to "the COVID-19 pandemic through health and humanitarian efforts. We are supporting communities around the world with information campaigns, medical equipment, hygiene kits, and supplies to meet basic human needs. As we see cases surge in places like India and Brazil, …" We urge our members to consider donating individually or through their churches to the GBGM UMCOR COVID 19 Response Fund, Advance 3022612.[10]

NIC United Methodist Women began efforts to ameliorate the conditions of people in need almost from the start of the pandemic, and we are encour-

9 *We acknowledge and are grateful that many folks, including United Methodists in many parts of the world, are beginning to feel hopeful as vaccines become more readily available. Yet, we know many peoples in poor, Black and Brown, other marginalized communities here, and in nations around the world such as India, Brazil, have limited or no access to COVID-19 testing, medical supplies, and vaccinations.*

10 *The UMCOR COVID 19 Response Fund, Advance 3022612 "Since the start of the novel coronavirus outbreak, Global Ministries has worked with partners around the world to respond to this humanitarian crisis. The Global Health unit and UMCOR have worked with health boards, medical professionals, disaster management coordinators and faith leaders to prevent the spread of this disease. Grants have been awarded to provide clean water and medical equipment at health facilities and to address the economic challenges caused by the pandemic, such as food insecurity. The situation in some countries, like India and Brazil, is dire and the surge of spread is not expected to peak for weeks. Grants from the UMCOR COVID-19 Response Fund will help strengthen the response of health care facilities, provide much needed medical supplies, increase access to clean water and hygiene facilities and address food insecurity and other economic challenges facing communities, particularly those in underdeveloped countries.*

aged to support those efforts here and abroad as well.[11]

We commend the efforts of the General Board of Church and Society (GBCS) in making an unrestricted donation to the World Health Organization and calling for racial justice at the 2021 General Conference.[12] We encourage the NIC to urge the congregations to have a special offering supporting the COVID response.

Finally, we know that the needs far outweigh our faith-based communities' efforts, and we encourage members to write to our Members of Congress and respectfully inform them of this resolution and request that they take all prudent actions to promote the health and welfare here and globally and to provide assistance in areas of the greatest need.[13]

RATIONALE:

We have long been aware that the pandemic exposed huge disparities in health care, and other critical areas such as housing and employment in poorer, and minority communities. Still we note, as Dr. Fauci, head of the National Institute of Allergy and Infectious Diseases and President Joe Biden's chief medical adviser, Australia" that the wave of infections currently overwhelming the Indian healthcare system has highlighted global inequality... The only way that [we are] going to adequately respond to a global pandemic is by having a global response, and a global response means equity throughout the world." https://www.marketwatch.com/story/fauci-says-world-shares-blame-for-indias-covid-crisis-for-failing-to-coordinate-global-pandemic-response-11619620671. Dr. Fauci's comments echo those of faith based leaders, and leaders of the World Health Organization and United Nations, who have repeatedly called on the richer countries of the world not to snap up all vaccine supply but to share it equitably with poorer nations. Failure to do so ... is allowing new, more infectious variants to spread, and could lead to ones that prove resistant to the current vaccines that have won emergency-use authorization around the world.

We know the World Health Organization has worked tirelessly to join with its partners to provide lifesaving medical equipment such as oxygen concentrators to areas with increasing transmission, initiated a plan to overcome what they have termed the "infodemic" by expanding ways to deliver web based learning.[14] And to better assist the world wide health community, they continue to update their list of "priority nations." 14 WHO observes "the ways in which people are connected in their local communities often determines their perception of, use of and further sharing of information. This ultimately influences the uptake of protective behaviors during the pandemic, demonstrating that access to reliable health information about the COVID-19 pandemic through trusted information channels can save lives."

ally, the General Board of Church and Society has observed "COVID-19 has revealed the gross hold of systemic racism throughout our society, including in healthcare, voting rights, employment, housing, banking, policing, jails and prisons, detention centers, the agricultural industry, and more. These systems trap, terrorize, exclude, marginalize, weaken, expose, and kill people of color in this country." [15]

Jesus Christ reached out and healed those who came to him, including people who were despised and rejected because of their illnesses and afflictions. His identification with suffering people was made clear when he said that "whatsoever you do to the least of these, you also do to me." His commandment that "you should treat people in the same way that you want people to treat you" is a basis for our Church for full involvement and compassionate response, especially where the needs are the greatest.

Name: Call for Jurisdictional Conference
Author(s): NIC General and Jurisdictional Conference
Delegation, Alka Lyall, Chair
CCFA Comment:

ACTION:
The Northern Illinois Conference calls for the convening of the North Central Jurisdictional (NCJ) Conference with elections of new episcopal leader(s) as soon as COVID vaccination practices and state procedures permit such meetings. We believe this should happen in 2021. If the Council of Bishops does not call the regular Jurisdictional Conference sessions, we ask the NCJ College of Bishops to call a special session for the purpose of electing bishop(s), making assignments of bishops, and to conduct other business necessary for the Jurisdiction. The NIC Conference Secretary will communicate the passage of this petition to the office of the Council of Bishops and to all members of the NCJ College of Bishops.

RATIONALE:
The pandemic has disrupted the scheduled sessions of the General and Jurisdictional Conferences. Such Conferences should be scheduled as soon as practical, and the Book of Discipline does not permit discretionary delays.

- Relief from the pandemic will be asymmetric. It means the conditions necessary to meet as a global body may not be present, even when the conditions to meet as persons in the US are suitable. Linking one condition to another sets unreasonable standards on the ability of the church to function in this time. This is especially true when one evaluates whether vaccine distribution will be sufficient for a global meeting even in late 2022.

15 For more information on ways to work on a local level, see, https://www.umc.org/en/how-we-serve/promoting-health-and-wholeness/coronavirus-information-resources., see also, https://www.umcjustice.org/news-and-stories/get-your-shot-1296.

- The Book of Discipline does not require regular Jurisdictional Conferences to follow the General Conference.

- The Annual Conferences require clarity about episcopal assignments over the rest of the quadrennium. There are constitutional and disciplinary requirements assigned to the Jurisdictions (including determining the number of bishops) that are violated when the Jurisdictions are unable to meet.

Name: Support for US Regional Conference
Author(s): NIC General and Jurisdictional Conference
Delegation, Alka Lyall, Chair
CCFA Comment:

ACTION:
The Northern Illinois Conference views the creation of a US Regional Conference as a necessity for the future of The United Methodist Church. The Conference Secretary shall communicate the support to the organizers of the Christmas Covenant[16] proposal and to the leadership of the Connectional Table[17].

RATIONALE:
- We celebrate being a global church and earnestly and faithfully seek to be in ministry throughout the world by being vital partners in the ministry wherever United Methodists are making disciples and transforming the world. The global church is a place for voices across the connection to discuss what we share, how we move together, how the Methodist movement will express our core theological beliefs in the present.
- Central Conferences are permitted by the Constitution of the UMC to "adapt" the discipline to conform with the needs of any specific context. The United States is also a mission field, where adaptation is necessary. Currently, there is no forum for the US church to adapt polity to the specific needs of our ministry context. Central Conferences should continue their experience-shaped polity without needing to modify the US polity each time it changes.
- The US section of the discipline would deal with the polity specific to the US, such as the structure of local churches, ordination standards, the role of jurisdictions, etc. In many cases these provisions are necessary to conform to US law or regulations that are ill-fitted to governance in other nations.
- The US Regional conference accomplishes specific practical goals and is a necessity for a functional polity.

Humanizing Criminal Justice

Force, co-chairs Rev. Jarrod Severing and Nadia
Kanhai; NIC General Conference Delegation, chair
Rev. Alka Lyall; NIC Church and Society, chair
Elisa Gatz; Chicago BMCR, president Darryl D. Harris
CCFA Comment:

ACTION:

In April 2021, a jury convicted former law enforcement officer Derek Chauvin of the murder of George Floyd. This act held one man accountable for horrific, public death of another. Although a step in the right direction, the conviction did not hold the system accountable for countless modern-day lynching of God's beloved Black children at the hands of law enforcement, nor did it bring justice and healing to those victimized.

We call on NIC congregations to actively participate in the challenging Gospel agenda of anti-racism, working toward humanizing our criminal justice system in one or more of the following ways:

- Reaffirming our commitment to develop a criminal justice system characterized by accessibility to all, with impartiality, honesty, integrity, and fairness to all without regard to status.[18]
- Echoing the 2020 call of Chicago Black Methodists for Church Renewal to urge our U.S., State, and local leaders to develop legislation that creates a humane system of policing that respects and protects the life, liberty, and pursuit of happiness of all persons.[19]
- Encouraging our clergy and congregational leaders to build bridges, organizing constructive dialogues of communities of color with political leaders, police departments, and community grassroots organizations for meaningful, tangible results.[20]
- Following the lead of United Methodist Women, in speaking out against extrajudicial kills and the culture of anti-blackness, white advantage and racism that undergirds these killings.[21] We will amplify silenced voices. We will interrupt the school-to-prison pipeline by moving local

decision makers to address the criminalization of children and youth of color and reduce racial disparities in school discipline.

RATIONALE:

- Justice is what love looks like in public. God's justice embraces the vulnerable, ensures equal rights for all, champions the cause of the poor and marginalized and consistently offers God's reparation, justice, truth, and mercy.[22]
- NIC has claimed the strategic work of anti-racism as one of its top priorities and as such, will speak out in times of national importance, resisting the urge to be "nice church people" who avoid conflict. Our private prayers must become public acts of solidarity. We must radically act on our convictions as people of faith.[23]
- Our justice system must be first and foremost about humanization since God's justice always works to bring reconciliation.
- Knowing that we will make mistakes in this challenging work, we will learn to recognize the image of God not in our fragile egos, but in each other and ourselves. We will regroup, forgive others and ourselves, and start again.

of homosexuals in the life of the Annual Conference. The NIC was the first annual conference in The United Methodist Church to so declare itself. With the passage of time since 1986, the uncertainties throughout The United Methodist Church concerning homosexuality that prompted the NIC to adopt Resolution 736 have expanded to include the gender identity and sexual orientation of persons other than homosexuals. In these circumstances, it is imperative for the NIC to reaffirm itself to be a Reconciling Conference and further affirm the sacred worth of ALL PERSONS and their full inclusion and participation in the life of this Annual Conference in accordance with the best Wesleyan traditions of grace and inclusion.

Name: Amend NIC Standing Rules regarding Consent
 Calendar Committee reporting to Annual Conference
Author: Rev. Mark Harkness,
 Cherry Valley United Methodist Church
CCFA Comment:
NOTE: Not approved

ACTION:

Amend Section I.D.5.a.3 of the Standing Rules of the Northern Illinois Conference of The United Methodist Church as follows:

3. The Consent Calendar Committee will present a consent calendar with items for approval or non-approval.: including a roll call vote record of each calendar item and a transcript of discussion concerning recommendation for approval or non-approval of each calendar item.

RATIONALE:

Although the work of the Consent Calendar Committee allows for a more "efficient" use of time at sessions of Annual Conference, its existence also diminishes the conference's capacity to be in dialogue around many issues, and the inherent transparency that in person dialogue within legislative committees provided.

Because the members of the Annual Conference entrust the Consent Calendar Committee with work on their behalf, transparency should be an utmost priority.

Currently, the Committee merely lists recommendations with a brief description. The conference remains uniformed whether this was a unanimous or contested recommendation or what the discussion was around each legislative item.

Furthermore, although the Standing Rules I.D.5.a.1 specifies the consistency of the Consent Calendar Committee, its exact membership cannot be determined either from the Nominations Report or the Standing Rules except when specific officers are mentioned in that section. Specifically, who are the individuals acting as representatives of the various committees serving on Consent Calendar Committee.

A transcript will help the conference to better evaluate the product (i.e. the Consent Calendar) prior to Annual Conference and to discern whether to take action by initiating or signing petitions to remove items from the calendar. The roll call record of voting provides the members of the conference with the ability to follow-up with questions and evaluate to what extent individual biases contributed to the recommendations of the Committee.

7. Justice and Mercy Ministries (¶630)

Membership: For those bodies with Disciplinarily required membership, the provisions of the Book of Discipline shall be followed. If there are no provisions for membership in a body defined by the Book of Discipline, the membership will give attention to a balance of clergy,

laity, gender, age, ethnicity, and districts.

RATIONALE:

The 2008 United Methodist Book of Discipline created flexibility for annual conference organization. Conferences were encouraged to streamline structures to create relevant, vital program ministries. Based on the Landscape Report (2015) and the ongoing work of the Annual Conference Shepherding Team (ACST), attention has been given to the creation of an organizational structure that would enhance the conference's focus on purpose, mission, and core values, while providing a forum for communication and coordination, reducing redundancy and providing more adaptability, flexibility, and productivity.

In 2020 the ACST formed a task force for reorganization of the program areas in the conference. The task force reported directly to the ACST as they worked. The task force included Mark Manzi (Chair), Deborah Dangerfield, Arnold Rivera, Mary Rawlinson, Laura Underwood, Meg Park, Nancy Pendergrass and Arlene Christopherson.

This task force reviewed the program ministries of the past decade and recommended the retention of some areas, the consolidation of others, and the incorporation of areas that had become inactive or had a focus addressed by other existing boards, committees and task forces. They then organized these committees, boards, task forces and groups in alignment with the purpose, mission and core values of the annual conference.

Committees that were retained and realigned are listed in the legislation. They include: Committee on Accessibility Ministries, Congregational Development and Redevelopment, Keagy Town and Rural, Latinx/Hispanic Ministry Team (National Plan), Conference Board of Higher Education and Campus Ministries, Older Adult Ministries, Outdoor and Retreat Ministries, Conference Board of Laity, Committee on Spiritual Formation, Committee on Native American Ministries, Board of Church and Society, Board of Global Ministries, Commission on Christian Unity and Interreligious Relations, Commission on Religion and Race and the Commission on Status and Role of Women.

Areas that were combined are: Children's Ministries, Youth Ministries, Young Adult Ministries, Education Work Area and the Safe Sanctuaries Task Force into Young People's Ministries.

Committee functions that have been incorporated into other existing areas addressing the same work are: Evangelism into Congregational Development and Redevelopment; Committee on Ethnic Local Church Concerns into Commission on Religion and Race; Restorative and Transformative Justice to both Commission on Religion and Race and Commission on Church and Society. In addition, Strengthening the Black Church for the 21st Century is now under

the leadership of Black Methodists for Church Renewal.

This reorganization of the standing rules does not address a number of existing task forces and other committees that continue to function in the annual conference including the Anti-Gambling Task Force, the HIV/AIDS Task Force and the Eco-Sustainability Network. Allowing for the formation of task forces from time to time gives the conference flexibility in address emerging needs.

Caucuses such as Black Methodists for Church Renewal and Asian American Fellowship are not conference program areas and continue to exist outside the conference structure. Caucuses can apply for conference programming funds for their conference-wide ministry work.

Name: Amend Standing Rules to Restore CCFA authorities
Author(s): Conference Council on Finance and Administration, Stephanie Uhl, Chair
CCFA Comment:

ACTION:
Amend the Northern Illinois Conference Standing Rules by addition to Section V. Finances and Reports, A. Accounting Policy a new item:

12. CCFA may, after consultation with agencies receiving budgeted funds, establish budget modifications or payment schedules in the event receipts are "inadequate to meet missional needs or unforeseen circumstances." (2016 Book of Discipline paragraph 613.8).

RATIONALE:
This language was part of the Standing Rules, but wrongly omitted from their revision in 2017. The Book of Discipline tasks CCFA, "to recommend to the annual conference for its action procedures for dealing responsibly with (such) situations." CCFA has needed to respond to economic challenges with modifications in the spending plan when adverse economic conditions mean revenue assumptions are not likely to be met.

Document: 702.04
Name: New Guidelines for Local Church Lay Members to Annual Conference
Author(s): Annual Conference Credential Committee, Ryan Sutton, Chair
CCFA Comment:

ACTION:
It is proposed that the Northern Illinois Conference of The United Methodist Church (NICUMC) make the following changes to the Standing Rules

affecting the amount of Lay Members to Annual Conference that would come from local churches (effective January 2022):

- Add one additional Lay Member if the church's membership is 200-399.
- Add two additional Lay Members if the church's membership is 400-599.
- Add three additional Lay Members if the church's membership is 600-799.
- Add four additional Lay Members if the church's membership is 800-999.
- Add five additional Lay Members if the church's membership is 1000 or more.

These membership milestones are determined through the most recent membership report provided to the Annual Conference through the church's statistical filing.

If there is still a gap between Lay Members and Clergy Members in the voting membership of the NICUMC, the difference will be comprised of District Representatives nominated by the District Superintendents. These persons cannot already be a voting member of the NICUMC per any other category or 'by virtue of office' position, but must adhere to the requirement of being a member of The United Methodist Church for at least two years. Each District Superintendent will turn in their District's nominations (based on a percentage of the total that is needed) to the Credentials Committee by March 15 of the same year as that year's Annual Conference. The slate of District Representatives will be elected at the start of each Annual Conference session in the procedural voting.

RATIONALE:

The 2016 Discipline states that each Annual Conference must make provisions to have an equal amount of Lay and Clergy Members of the Annual Conference, and the Annual Conference will use its own formula to provide for this equalization (Section VI, Paragraph 32).

Each chartered church in the NICUMC is guaranteed at least one Lay Member to Annual Conference, and each church that has more than one credentialed clergy is entitled to an equal number of Lay Members to their number of clergy. There are also 'by virtue of office' positions in the NICUMC that, if held by a Lay person, provide additional laity to the Annual Conference session. Even with these provisions, the NICUMC consistently has fewer Lay Members able to attend Annual Conference compared to clergy, and our current system for equalization is not meeting the needs to adequately bridge the gap between Lay Members and Clergy Members.

In addition, the Credentials Committee is given the authority to add to the list of official positions with Lay Members, as new committees or task forces are created by the Annual Conference.

RATIONALE:

The Constitution of The United Methodist Church, the Book of Discipline, and the Standing Rules of the NICUMC specify certain positions which, if held by a lay person, automatically make them Lay Members of the Annual Conference. Many of the currently listed positions are no longer present in the NICUMC. The NICUMC consistently has fewer Lay Members than Clergy Members, and our Discipline states we are to have an equal number of Lay Members and Clergy Members attend the Annual Conference sessions. These lay persons cannot also be Lay Members from their local church. A revision to the official listing of 'by virtue of office' positions would allow more Lay Members to attend Annual Conference with voice and vote - these

persons already being an active part of our Conference's ministry. And if new committees are created by the Annual Conference, Credentials would not have to continually offer new legislation to add these new 'by virtue of office' Lay Members.

CCFA Comment: The legislation reinstates the legislative sections of Annual Conference, which CCFA estimates would be an additional cost for our Annual Conference Session of around $4,000 to $6,000. This does not include additional hotel costs for staff if this lengthens Annual Conference to an additional day, and it also does not take into account the additional hotel cost to Annual Conference members if the conference is extended. The hotel room rate the Annual Conference received at Renaissance Schaumburg Convention Center in 2020 was $152 plus tax per night.

ACTION:
Amend the Northern Illinois Conference Standing Rules Section 5a by deleting the following text that has been shown with a line through it and renumbering the remaining text:

5. Consent Procedure, Legislative Sections & Legislative Procedure
a. Consent Procedure
1. A Consent Calendar Committee will be formed annually with one representative from the Annual Conference Committee, Annual Conference Shepherding Team representing the program areas, Trustees, CFA, the cabinet, and the Board of Pensions with the Treasurer, DCM, lay leader, conference secretary, and Chair of the Daily Proceedings along with other at-large members as needed. The Consent Calendar Committee will determine a preliminary consent calendar for the annual conference in consultation with the bishop.

~~4. The consent calendar will be available at least 30 days before annual conference sessions for review.~~

~~5. Items from the consent calendar may be removed by a petition signed by members of the annual conference and submitted to the Chair of Daily Proceedings by the deadline given in the agenda. Petition forms will be available online or hardcopies from the Chair of Daily Proceedings.~~

~~6. The legislative section will receive legislation that has not been placed on the consent calendar or any items removed by petition.~~

8. Late legislation is not eligible for the preliminary consent calendar.

9. After a legislative section acts on any legislative item, if it receives 80% of the votes in favor as perfected, it shall be placed on the consent calendar with a recommendation for approval. Any legislative item receiving 80% of the votes against will also be placed on the consent calendar with a recommendation for disapproval. The consent calendar shall be distributed at least two hours before its consideration as announced or on the agenda.

10. The consent calendar shall be passed by a majority vote.

RATIONALE:

According to John Wesley, Christian conferencing is one of the means of grace. Through Christian conferencing, we can understand not only our place in God's kin-dom, but we can also be in community with others. Christian formation happens when we are in authentic conversations with others, focused on finding a common understanding of God's will. Bishop Sally Dyck wrote "John Wesley considered this sort of discussion a means of grace because conferring with each other is a means that opens us to God's truth, grace, and growth in faith and spiritual maturity, forgiveness, and humility. What he called "Christian conferencing" has become known as holy conferencing, reminding us that we are called to be set apart and different from the rest of culture in our speech and behavior, most evident in the way we handle disputes." Her Principles of Holy Conferencing study guide lists 8 steps for intentional sharing and learning https://www.chapelhillumc.org/2012/eight_principles_of_holy_conferencing/

With holy conferencing done through legislative sections, legislation can be perfected through deeper understanding, conflict resolution, and spiritual growth.

SECTION II ANNUAL, GENERAL AND JURISDICTIONAL CONFERENCE ELECTIONS

A. ANNUAL CONFERENCE

1. The Book of Discipline of the United Methodist Church requires the membership of an Annual Conference session have equal lay and clergy members seated on the voting floor. Each Annual Conference is required to create a formula to ensure that for every clergy, including appointed deacons, there be a lay member. For The Northern Illinois Annual Conference, this Section II, A in the Standing Rules outlines how that equalization will occur.
2. **By the United Methodist Constitution:**
   a. Clergy Membership includes elders and deacons in full connection, provisional members, associate members and local pastors under appointment.

b. Lay Membership of professing lay members elected by the charge, diaconal ministers, active deaconesses and home missioners under appointment. Additionally, there is a list of conference offices which if held by a lay person makes that lay person a member of the Annual Conference.

c. Lay members should have been members of The United Methodist Church for two years preceding their election and active in The United Methodist Church for four years preceding their election. (Ref: Section VI, Paragraph 32, Article I of the Constitution of the United Methodist Church)

3. **Local Church/Charge**

a. For every clergy appointed to a local church there is a lay member elected.

b. Where there are multiple charges one lay member is to be elected for each church in the charge.

c. An additional lay member shall be added for each of the following reported church professing membership milestones:

- Add one additional Lay Member if the church's membership is 200-399.
- Add two additional Lay Members if the church's membership is 400-599.
- Add three additional Lay Members if the church's membership is 600-799.
- Add four additional Lay Members if the church's membership is 800-999.
- Add five additional Lay Members if the church's membership is 1000 or more.

These membership milestones are determined through the most recent membership report provided to the Annual Conference through the church's statistical filing.

If there is still a gap between Lay Members and Clergy Members in the voting membership of the NICUMC, the difference will be comprised of District Representatives nominated by the District Superintendents. These persons cannot already be a voting member of the NICUMC per any other category or 'by virtue of office' position, but must adhere to the requirement of being a member of The United Methodist Church for at least two years. Each District Superintendent will turn in their District's nominations (based on a percentage of the total that is needed) to the Credentials Committee by March 15 of the same year as that year's Annual Conference. The slate of District Representatives will be elected at the start of each Annual Conference session in the procedural voting.

4. **Equalization**: If equalization is not achieved through these steps, by September 1 of the immediately completed Annual Conference year, the Annual Conference Credentials Committee will divide the remaining required lay members equally between the districts. Those individuals shall be selected by the District Superintendent and District Lay Leader in a means of the district's choosing. Those selected will be reported to the Annual Conference Credentials Committee no later than January 15 of the next Annual Conference year. Special attention by the District Superintendents and District Lay Leader should be given for the inclusion of youth and young adults and to the racial/ethnicity of their districts. Individuals holding offices included in the equalization cannot be utilized for this purpose.

a. The Annual Conference Credentials Committee shall calculate the number of lay members in each pastoral charge and report to each District Superintendent by September 1, of the year of the immediately completed Annual Conference.

b. Names of lay members and alternates will be requested each year from each pastoral charge in the Conference.

c. The Credentials Committee shall prepare a roster of the duly elected lay members and their respective alternates from each charge in the Annual Conference. This roster shall be submitted to the Annual Conference Committee on or before February 15 of the Annual Conference year. This roster will constitute the committee's initial certification of all members for the ensuing Conference session.

d. Any late changes to the lay member representation must be made in writing to the Credentials Committee at the site of the Annual Conference. This only applies to changes in duly elected lay members or their alternates.

No Lay Member may be credentialed for more than one category. Lay members of the Annual Conference by virtue of an office held may not also serve as the lay member from a local church.

Article XVI Incorporated Conference-Related and Affiliated Institutions

A number of religious, educational and non-profit incorporated institutions participate directly or indirectly in the work and service of The United Methodist Church within the boundaries of the Annual Conference and are related in varying degrees to the Annual Conference, some being under the control thereof and others being autonomous while in close consultative and connectional relation. Their respective relationships to the Northern Illinois Annual Conference shall be as set forth in their articles of incorporation, by-laws and applicable provisions of the Discipline. All such incorporated institutions shall be solely responsible for their own acts, omissions, contracts and undertakings.

The corporation also shall indemnify any of the foregoing for damages, fines, judgments, and amounts paid in settlement in connection with such action, suit, or proceeding, and appeals therefrom, except in relation to matters as to which any such officer, director, trustee or key staff member shall be adjudged in any action, suit or proceeding to be liable for willful misconduct in the performance of duties, such officer, director, trustee or staff member shall reimburse the corporation for all attorney's fees and costs expended by it, or which it has been obligated to spend, as a part of the defense of such officer, director, trustee, or key staff member.

Any indemnification hereunder shall be made only as authorized in the specific case upon a determination that the person has met the applicable standard of conduct and that indemnification is otherwise lawful and proper. Such determination shall be made by the Board of Trustees of the Northern Illinois Annual Conference (hereinafter called "the Board") by a majority vote of a quorum consisting of members not parties to such claim, action, suit or proceedings, or, if such a quorum cannot be convened, or even if convened, cannot or does not act for any reason, by special independent legal counsel in a written opinion.

The Board may authorize and direct that insurance be purchased and maintained on behalf of any person who is, was, or may be entitled to be indemnified hereunder against any liability asserted against and incurred by such person in any such capacity, or arising out of status as such, whether or not the institution would provide indemnity against such liability under the provisions hereof.

CLERGY SERVICE RECORDS

This roll and record have been carefully prepared according to the NIC database records. If there are errors, please notify your District office in writing. This record is not to be considered the basis for calculating official years of service; such information is accurately and officially kept by the Board of Pensions. No pastoral service before the date of admission on probation is recorded; lay pastor appointments are omitted. The year mentioned is the year the appointment was made. Since addresses appear in the Clergy Directory, they are not reproduced here.

MARY LINDA RANDOLPH FLATNESS
July 23, 1942 - September 27, 2020

Pastor Mary Linda Randolph Flatness was born July 23, 1942 in Sterling, Illinois and was the first of four children born to Verdun and Marion (Hult) Randolph. As a young girl, she spent the war years in Burlington, Iowa with her mother, brother Tim and grandparents, Margie and Percy Hult, while her father was in the South Pacific. The family later moved to Springfield, Illinois where sisters, Sally and JoAnn, joined the family. The Randolphs were members of Laurel Methodist Church where Mary enjoyed singing in the High School Choir, attending Methodist Youth Fellowship and participating in the family potluck dinners throughout her youth. She was active in Rainbow Girls and held various leadership roles. She studied piano and dance and cultivated a lifelong love of music. She graduated from Springfield High School in 1960.

Mary received her Bachelor of Science Degree from Southern Illinois University in Carbondale in 1964, with a Major in Education and a Minor in History. She continued her advanced education throughout her career in education administration and later pastoral studies. She accepted her first job as a Junior High School English teacher in Minooka, Illinois and stayed in that school district throughout her career, advancing to Principal of the Middle School. She also was faculty sponsor of the Speech and Drama Clubs. She was able to take advantage of early retirement in 1994.

She wed Gerald Flatness at the Minooka United Methodist Churchon July 10, 1965. They shared 30 years of loving family life that included six stepchildren:Keith (Debbie) Flatness, Melode Galbreath, Connie (Jim) Kloiber, Larry (Sandy Elder) Flatness, Gail Flatness and Jeff (JoLynne) Flatness; 16 grandchildren, 40 great grandchildren, and 3 great-great grandchildren. When Jerry passed away on July 10, 1995, Mary became more involved with the Methodist church, first in Minooka and then taking on various support and substitute pastoral duties throughout the northwestern Illinois area.

She moved to Milledgeville to serve as full time pastor for the Milledgeville United Methodist Church until she retired from the ministry in 2005. She enjoyed officiating at weddings and baptisms, home and hospital visitations, and support to those in need. She was an advocate for her congregation in their times of celebration or need. She took great pride in organizing Sunday services and always researched and prepared her sermons with care. As her health restricted her ability to continue her duties, Pastor Mary retired once more and moved to Dixon, Illinois. There she was a member of the Grace United Methodist Church andactive in their Women's Circle and various fundraising activities. She was an occasional substitute pastor as well and served on the board of the local homeless shelter. She gifted her religious studies volumes to advance pastoral studies at the University of Manilla in the Philippines.

Mary enjoyed knitting, her bridge club, and her pets, both dogs and cats over the years. As an avid communicator, she wrote thousands of cards and letters to friends and family throughout the year, and especially at Christmas.With the advent of social media, she also added Facebook to her connectivity methods. Her home was filled with photos of the faces of former students and congregation members with their families who continued to share their lives with Mary. She will be missed and was loved by all for the generous, caring woman who gave her life to others.

At the age of 78, on Sunday, September 27, 2020, Mary L. Flatness was called home to join her Lord and Savior in Heaven.

BARBARA DIANE FERRIS GILLHAM
November 12, 1948 - April 4, 2021

Rev. Barbara Diane Ferris Gillham, 72, passed away on Easter Sunday, April 4, 2021. She made a miraculous recovery after spending several months in ICU on a ventilator (non-Covid) and enjoyed the remaining months of her life with her son and grandsons and daughter-in-law in Orlando, Florida.

She was born in Tahlequah, Oklahoma to Scott Spear Ferris and Eleanor K Ferris on November 12, 1948. As a youth she enjoyed spending time with her many cousins on the family ranch at Blue River.

A retired Pastor of the United Methodist Church, she joined St. Lukes United Methodist Church (Oklahoma City) at the age of nine and was active in many areas before being ordained in 1991. She received her Masters of Divinity in 1989 and studied at SMU Perkins School of Theology and OCU Graduate School of Religion. She served as Pastor in both the Oklahoma and Illinois Conferences of the United Methodist Church at several congregations before retiring to Florida to be close to her family.

GEORGE E. OGLE
January 17, 1929 - November 15, 2020

Rev. George E. Ogle was born in the railroad town of Pitcairn, Pennsylvania. He was the first in his family to go to college, thanks to a scholarship arranged by his high school principal and a typewriter donated by a generous neighbor.

He graduated from Maryville College in 1951 and Duke Divinity School in 1954. He was ordained a minister in the Evangelical United Brethren Church (later the UMC)and went to post-war South Korea as a short-term missionary, 1954-1957.

During a brief stint as a student and inner-city pastor in Chicago, George met and married Dorothy Lindman (May 9, 1959).They returned to Korea together as lifetime missionaries and began their new life in the industrial port city of Incheon. All four of their children were born in Korea.

George and his Korean colleagues founded the Incheon Urban Industrial Mission (UIM) in which Korean pastors worked in factories alongside the laborers. George served as a chaplain for a steel mill and rail car shop. Over the next decade, they ran educational programs for workers and accompanied them in their struggle for justice and respect.

During his furloughs in the U.S., George completed his Ph.D. in International Industrial Relations at the University of Wisconsin, and in1973, he was invited to teach International Relations at Seoul National University.

But South Korea had become a military dictatorship under General Park Chung-Hee. Many Christians, workers, and students were jailed and even tortured for calling for the democratization of the country. It was during this time that George spoke publicly for eight innocent men who had been accused of sedition and sentenced to death. For this, he was deported from Korea in December 1974. [On April 9, 1975, the eight men were executed. Thirty-two years later, they were fully exonerated by a democratic Korean government.]

From 1975 to 1981, George taught at the Candler School of Theology in Atlanta. From 1981 to 1991, he served as Director of the Department of Social and Economic Justice for the UMC General Board of Church and Society. He was then given a post-retirement appointment as Director of Illinois IMPACT, the public policy arm of the Illinois Conference of Churches. In 1984, George was able to make his first of many post-deportation visits to South Korea, and in 1998, he was invited as a special guest to the inauguration of President Kim Dae-Jungin 1998.

In 1995 George visited North Korea, and in 1995 and 1996, he travelled to Russia with Amnesty International to serve as an interpreter with North Korean refugees there. George and Dorothy have long advocated for a formal end to the Korean War and for peace and reconciliation on the peninsula.

Retirement took George to Marietta, GA and then Lafayette, CO. He has won several awards and written many books, but he is most remembered for his extraordinary kindness, compassion, curiosity, and humor; and for being the best husband, Dad, and Pappy ever. He is survived by his wife Dorothy, four children, and six grandchildren.

JAMES MCKENDREE WALL
October 27, 1928 - March 22, 202

The life of James McKendree Wall was prolific and storied, rich in family and friendships, all steeped in his strong Methodist faith. Following a stint with the U.S. Air Force during the Korean War, James returned to Georgia to continue his work as a sportswriter with two Atlanta newspapers. Having already received his undergraduate from Emory University he returned to his alma mater for his Divinity degree. As an ordained Methodist minister, James would continue on to serve several appointments in the United Methodist Conference in both Georgia and Illinois. He would in later years be named by Emory as a "Maker of History". Settling down in Illinois and earning his second Master of Divinity from the University of Chicago, James enjoyed a lengthy tenure as President and Editor of The Christian Century, an ecumenical influential journal, playing a major role in the dialogue on ethical and religious concerns. He also served as editor for numerous other publications, including the Christian Advocate.

Realizing an interest in relating religion to film, James served in many capacities including the National Council of Churches Film and Industry Committee and was named to the Motion Picture Industry for the National Council of Churches, serving as a consultant to the Ratings Board. As an adjunct professor and author of numerous books and publications, he earned an Honorary Lifetime Member of the North American Interfilm. James launched his foray into politics in 1972 as a Democratic nominee for Congress from Illinois. Following his work as Delegate to the Democratic National Convention he continued as Chairman of President Jimmy Carter's Illinois campaigns; subsequently he was appointed by President Carter to a special White House Fellowship. James also successfully led Paul Simon's senatorial campaign and was an advisor to President Bill Clinton's general election campaign. Under President Clinton's administration, James served as a member of a Bioethics Task Force for NASA, participating in assignments requested by the CDC.

The heart of a servant, James volunteered on a regular basis with many organizations. Among his most proud are hisserviceon the Board of the Elmhurst Public Library and Friends of Seraj, an organization that develops public libraries in underserved Palestinian villages. His love of journalism gives him a lengthy list of published books and articles and his admirablelife gives him no less than six honorary Doctoral degrees from across the nation. However, in the final chapter of James' life he most reflected upon his family as his most loved and valued legacy. In addition to his wife of 67 years, James leaves behind three sons, four grandchildren and four great grandchildren. We will all spend the rest of our own lives grateful for the time spent with such a great man...to us he was simply "Dad" and "Pop."
