

## Zoom Webinar Conference Guide

### 1 Zoom Features

You can ask technical and informational questions during the conference using the Q&A feature. Click on the icon to open the Q&A Window. Actions can be made through the “Get Recognized” Form.

When called on by the Bishop, Raise and Lower your hand by clicking the Raise Hand icon. It is gray when lowered; it will turn blue when raised. Leadership can see your hand when it is raised (blue). You will then receive a prompt to unmute your mic. **Unmute your mic by clicking “Unmute myself”,** and then speak.

### 2 The GNTV Voting Website

Before the start of the conference, voting members will receive a Voter ID and a link to the voting site. You will use the Voter ID to log into the website and vote when a ballot is open.

To log into the website, insert your Voter ID into the box and click Submit.

Once you are logged in, you will see 2 buttons: a green Load Ballot button and an orange Get Recognized button.

When the Bishop opens a ballot, click the green Load Ballot button to load the ballot.
