## October is Clergy Appreciation Month

Life has been tough for all of us during the pandemic, including pastors. In this year's clergy wellbeing survey, Wespath found clergy are struggling in its findings. The survey looks at 5 dimensions: physical, emotional, social, spiritual and financial health. The only factor of these 5 dimensions that was stable is finances. Clergy health has declined, depression and isolation, even faltering faith were reflected in the survey results. "We cannot wave a magic wand and make all the factors challenging anyone's wellbeing go away. But perhaps this year is the right year to observe 'Clergy Appreciation Month,'" Rev. Arlene Christopherson, NIC Asst. to the Bishop/Dir. of Connectional Ministries writes in her monthly DYK article. "Who doesn't appreciate a word of encouragement, an acknowledgment that life has been hard, or a congregational 'hip-hip hurray.'" [Read more and find some tips and](#)

## Find a Crop Walk near you

**Together we can end hunger.** If you don't have a local CROP Hunger Walk in your community, join us for the 2021 National CROP Hunger Walk on World Food Day, October 16. We will walk to end hunger in the U.S. and around the world! Walk on your treadmill, in your neighborhood, in a park with friends – you choose the location and the experience. Walk one day - 3.7 miles (the average distance a woman walks for water) or take the Weekend Challenge and walk 11.1 miles (3.7 miles for 3 days). Every step you take, every dollar you raise makes the walk shorter for neighbors in need by providing clean water, emergency food as well as livelihoods and access to education. Sign-up and start raising funds TODAY at [www.crophungerwalk.org/usa](http://www.crophungerwalk.org/usa). For more information, contact info@cwsglobal.org.
