

Here's your October 14 District News

Rev. Brian Gilbert, District Superintendent

October is Clergy Appreciation Month

Life has been tough for all of us during the pandemic, including pastors. In this year's clergy wellbeing survey, Wespeth found clergy are struggling in its findings. The survey looks at 5 dimensions: physical, emotional, social, spiritual and financial health. The only factor of these 5 dimensions that was stable is finances. Clergy health has declined, depression and isolation, even faltering faith were reflected in the survey results. "We cannot wave a magic wand and make all the factors challenging anyone's wellbeing go away. But perhaps this year is the right year to observe 'Clergy Appreciation Month,'" Rev. Arlene Christopherson, NIC Asst. to the Bishop/Dir. of Connectional Ministries writes in her monthly DYK article. "Who doesn't appreciate a word of encouragement, an acknowledgment that life has been hard, or a congregational 'hip-hip hurray.'" [Read more and find some tips and](#)
