

## Developing an Intentional Discipleship System Outline

1 – Gather an **IDS Team** (4-6 people) with the blessing of pastor/church leadership

2 – Check out the **SeeAllthePeople.org** website.

<https://www.seeallthepeople.org/the-movement>

Explore the “**Develop a Discipleship System**” resources

<https://www.seeallthepeople.org/develop-a-discipleship-system>

Resources include: **Guides, Example Systems, & Courses.**

3 – Download the free “**Developing an Intentional Discipleship System: A Guide for Congregations**” and study this resource with your IDS Team

4 – Reach out to your **District Superintendent** OR **District Shepherding Team** if you’d like the support of an IDS Resource Person

5 – Present your IDS to your local congregation for **Adoption & Implementation**

6 – Share your stories (successes & struggles) with your **District Superintendent** OR **District Shepherding Team**

7 – **Work and ReWork** your IDS

Remember – the goal is not developing an IDS, it’s developing a culture of Discipleship!
