Apportionments are one of the most significant ways in which we as United Methodists stay connected to each other and to the shared mission of the United Methodist Church. Through apportionment giving, United Methodists are able to do together what no individual, church, cluster, district, or conference could possibly do on their own.

There are many resources available to help you further interpret apportionments in your local church setting. Please refer to the enclosed resource guide and for more information visit the Northern Illinois Conference website at www.umcnic.org/apportionments.php or contact me at mbunt@umcnic.org or (312) 346-9766 x741.

Thanks for your continued support of our United Methodist connectional giving,

Apportionments Administrator, Northern Illinois Conference
